The Company is pleased to take advantage of the Securities and Exchange Commission rules that allow issuers to furnish proxy materials to their stockholders on the Internet instead of mailing a printed copy of these materials to each such stockholder. Stockholders who received a Notice of Internet Availability of Proxy Materials (the "Notice") by mail will not receive a printed copy of these materials other than as described below. Instead, the Notice contains instructions as to how stockholders may access and review all of the important information contained in the materials on the Internet, including how stockholders may submit proxies by telephone or over the Internet. If you received the Notice by mail and would prefer to receive a printed copy of the Company's proxy materials, please follow the instructions for requesting printed copies included in the Notice. You may wish to provide your response by telephone or electronically through the Internet by following the instructions set out on the enclosed Proxy Card. If you do attend the meeting and wish to vote your shares personally, you may revoke your proxy.

All stockholders are cordially invited to attend the Meeting in person. Your vote is important regardless of the number of shares you own. Only record or beneficial owners of the Company's Common Stock as of the Record Date may attend the Meeting in person. When you arrive at the Meeting, you must present photo identification, such as a driver's license. Beneficial owners also must provide evidence of stock holdings as of the Record Date, such as a recent brokerage account or bank statement, along with a legal proxy issued by their broker or nominee authorizing the beneficial holders to vote, and a statement from the broker or nominee confirming that the shares have not yet been voted.

**STOCKHOLDERS ARE URGED TO FILL IN, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY CARD IN THE ACCOMPANYING PREPAID ENVELOPE.**

It is desirable that as many stockholders as possible be represented, in person or by proxy, at the Meeting. Consequently, whether or not you now expect to be present, please execute and return the enclosed proxy card. You have the power to revoke your proxy card at any time before it is voted, and the giving of a proxy card will not affect your right to vote in person if you attend the Meeting.

By Order of the Board of Directors,

/s/ Robert B. Ladd  
Robert B. Ladd

**PROXY STATEMENT FOR THE  
ANNUAL MEETING OF STOCKHOLDERS**

**To be held on December 31, 2015**

Proxy cards in the form enclosed with this Proxy Statement are being solicited by the Board of Directors of MGT Capital Investments, Inc. (the "Company," "we," "us," and "our") for use at the Company's 2015 Annual Meeting of Stockholders to be held on December 31, 2015, and at any postponements or adjournment thereof (the "Meeting"). Your vote is very important. For this reason, our Board of Directors is requesting that you permit your shares of common stock, \$0.001 par value per share ("Common Stock"), or preferred stock, \$0.001 par value per share ("Preferred Stock"), to be represented at the Meeting by the proxies named on the enclosed proxy card. We will bear the cost of soliciting the proxies and we may enlist the assistance, and reimburse the reasonable expenses, of banks and brokerage houses in the additional solicitation of proxies and proxy authorizations, particularly from their customers whose Common Stock is not registered in the owner's name, but in the name of such banks or brokerage houses. Solicitation of proxies may also be made personally, or by telephone, facsimile or e-mail, by our regularly employed officers and other employees, who will receive no additional compensation for such activities.

**Information Concerning the Proxy Materials and the Meeting**

This Proxy Statement contains important information for you to consider when deciding how to vote on the proposals brought before the Meeting (each a "Proposal," and collectively, the "Proposals"). Please read it carefully. The following Proposals will be considered and voted upon at the Meeting: (i) to elect 4 (four) directors, each such director to serve until the 2016 Annual Meeting of the Company's stockholders and until his successor is duly elected and qualified or until his earlier resignation, removal or death; (ii) to approve an amendment to the Company's 2012 Stock Incentive Plan (the "Plan") to increase the amount of shares of Common Stock that may be issued under the Plan to 3,000,000 shares from 1,335,000 shares, an increase of 1,665,000 shares; (iii) to ratify the appointment of Marcum LLP as the Company's independent registered certified public firm for the year ending December 31, 2015; (iv) to authorize the Board, without further action of the stockholders, to amend the Company's Certificate of Incorporation to implement a reverse stock split of its capital stock, at a ratio within the range of 1-for-8 to 1-for-40 at any time following the Annual Meeting and prior to the 2016 Annual Meeting; and (v) to approve the potential issuance of up to 5,560,000 shares of Common Stock upon the exercise of warrants issued to investors in a financing consummated on October 8, 2015 (the "Financing"), in excess of 19.99% of the number of shares of Common Stock that were issued and outstanding on October 8, 2015; and (vi) to transact such other matter or matters that may properly come before the Meeting, or any adjournments thereof.

**Voting Procedures and Vote Required**

Only stockholders of record of the Common Stock at the close of business on November 9, 2015 (the "Record Date") are entitled to vote at the Meeting. As of November 9, 2015, there were \* shares of the Common Stock issued and outstanding. Each outstanding share of Common Stock is entitled to one vote on all matters properly coming before the Meeting. In addition, as of November 9, 2015, the Company had \* shares of Series A Preferred Stock outstanding, which shares have the right to vote on all matters to be presented to the Stockholders on a one for one basis. Stockholders may vote in person or by proxy. However, granting a proxy does not in any way affect a stockholder's right to attend the Meeting and vote in person. Anyone delivering a proxy card may revoke it at any time before it is exercised by giving our Chief Executive Officer, Robert Ladd, written notice of the revocation, by submitting a proxy card bearing a later date or by attending the Meeting and voting in person.

Robert B. Ladd is named as a proxy in the proxy statement. Mr. Ladd is our President and Chief Executive Officer and is also a member of our Board of Directors. Mr. Ladd will vote all shares represented by properly executed, unrevoked proxy cards returned in time to be counted at the Meeting. Any stockholder granting a proxy has the right to withhold authority to vote for any or all of the nominees to the Board of Directors. Where a vote has been specified in the proxy card with respect to the matters identified in the Notice of the Annual Meeting, including the re-election of directors, the shares represented by the proxy card will be voted in accordance with those voting specifications. If no voting instructions are indicated, your shares will be voted in accordance with the discretion of the proxy card holders. In addition, the proxy card holders may determine in their discretion with respect to any other matters properly presented for a vote before the Meeting.

The presence in person or by properly executed proxy cards of holders representing fifty point one percent (50.1%) of the issued and outstanding shares of the Common Stock entitled to vote is necessary to constitute a quorum for the transaction of business at the Meeting. There are no cumulative voting rights. Votes cast by proxy or in person at the Meeting will be tabulated by the inspector of election appointed for the Meeting, who will determine whether or not a quorum is present.

In accordance with our Certificate of Incorporation, as restated; our By-laws, as amended and restated; and applicable law, the re-election of the four (4) directors (Proposal 1) shall be by a plurality of the votes cast; the approval of an amendment to the Company's 2012 Stock Incentive Plan to increase the amount of shares of common stock that may be issued under the Plan to 3,000,000 shares from 1,335,000 shares, an increase of 1,665,000 shares (Proposal 2) and the ratification of the appointment of Marcum LLP as the Company's independent registered certified public firm for the year ending December 31, 2015 (Proposal 3) shall be a majority of the votes cast. The authorization of the Board, without further action of the stockholders, to amend the Company's Certificate of Incorporation to implement a reverse stock split of its capital stock, at a ratio within the range of 1-for-8 to 1-for-40 at any time following the Annual Meeting and prior to the 2016 Annual Meeting (Proposal 4), shall be by a majority of the shares of common stock and Series A Preferred Stock outstanding on the Record Date. Pursuant to the listing rules of the NYSE MKT, approval of the of the potential issuance of up to 5,560,000 shares of common stock upon the exercise of warrants issued in the Financing (Proposal 5) shall be by a majority of the votes cast, provided however, that none of the 2,800,000 shares of common stock issued to investors in the Financing may be counted towards approval of this proposal and may only be counted as present for purposes of determining a quorum. Approval of an adjournment of the Meeting, if necessary, requires the affirmative vote of a majority of those present at the Meeting, in person or by proxy, entitled to vote.

Shares of Common Stock represented by proxy cards that are marked "abstain" will be included in the determination of the number of shares present and voting for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are not counted as voted either for or against a proposal. Abstentions are not counted as votes cast in the re-election of directors and will have no effect on the re-election of directors except to the extent that they affect the total votes received by a candidate. On matters other than the re-election of directors, abstentions will be counted as votes cast, which will have the same effect as a negative vote on the matter.

If your shares are held in the name of a brokerage firm, bank, nominee or other institution (referred to as shares which are held in "street name"), you will receive instructions from such holder that you must follow in order for you to specify how your shares will be voted by such holder. A "broker non-vote" occurs when a broker lacks discretionary voting power to vote on a "non-routine" proposal and a beneficial owner fails to give the broker voting instructions on that matter. The rules of the New York Stock Exchange determine whether matters presented at the Annual Meeting are "routine" or "non-routine" in nature. As the result of a recent rule change, the election or re-election of directors is no longer considered a "routine" matter. Beneficial owners who hold their shares through a stock brokerage account will have to give voting instructions to their brokers in order for a broker to vote on the re-election of directors. ***If you are a beneficial owner, failure to provide instructions to your broker will result in your shares not being voted in connection with the re-election of directors.*** The proposal to approve the appointment of Marcum LLP as the Company's Independent Registered Public Accountant for the fiscal year ending December 31, 2015 (Proposal 3) and the proposal to authorize the Board, without further action of the stockholders, to amend the Company's Certificate of Incorporation to implement a reverse stock split of its capital stock, at a ratio within the range of 1-for-8 to 1-for-40 at any time following the Annual Meeting and prior to the 2016 Annual Meeting (Proposal 4) are each currently considered a "routine" matter, and a broker has the discretionary voting power to vote on these matters without any instructions from the beneficial owner. The proposal to re-elect four (4) directors (Proposal 1), the proposal to approve an amendment to the Plan (Proposal 2) and the proposal to approve the potential issuance of up to 5,560,000 shares of Common Stock upon the exercise of warrants issued in the Financing (Proposal 5) are deemed to be non-routine. Accordingly, if you do not instruct your broker how to vote with respect to Proposal 1 and 2, your broker may not vote with respect to these proposals and those votes will be counted as "broker non-votes." Broker non-votes are counted for purposes of determining a quorum, but will have no effect on any of our proposals.

If your shares are held in "street name" and you want to vote your shares in person at the Meeting, you must provide evidence at the Meeting of your stock holdings as of the Record Date, such as a recent brokerage account or bank statement. You must also provide a legal proxy issued by your broker or nominee authorizing you to vote your shares, along with a statement from the broker or nominee confirming that the shares have not yet been voted.

VStock Transfer LLC will be handling the proxy ballots and tabulation of votes for the Meeting.

**Internet Voting Option for "Registered" Holders Only**

Registered Stockholders have four voting options: (1) voting at the Meeting; (2) completing and sending in the enclosed proxy card; (3) casting a vote on the Internet for such shares; or (4) casting a vote by telephone for such shares.

Instructions for voting electronically are found on your Notice of Internet Availability and/or Proxy Ballot.

**If you vote by Internet or by telephone, please do not mail your proxy card.**

## PRINCIPAL STOCKHOLDERS

The following tables set forth certain information regarding beneficial ownership and voting power of the Common stock as of November 4, 2015, of:

- Each person serving as a director, a nominee for director, or executive officer of the Company;
- All executive officers and directors of the Company as a group; and
- All persons who, to our knowledge, beneficially own more than five percent of the common stock or Series A Preferred stock.

“Beneficial ownership” here means direct or indirect voting or investment power over outstanding stock and stock which a person has the right to acquire now or within 60 days after November 4, 2015. See the accompanying footnotes to the tables below for more detailed explanations of the holdings. Except as noted, to our knowledge, the persons named in the tables beneficially own and have sole voting and investment power over all shares listed

Each share of Common Stock has one vote per share of Common Stock held and each share of Series A Preferred stock has one vote per share of Series A Preferred stock held.

As further described in Proposal 5 below, the Financing consisted of \$700,000 of units at a purchase price of \$0.25 per unit, with each unit consisting of one share of Common Stock and a warrant to purchase two shares of Common Stock. 2,800,000 shares of Common Stock and warrants to purchase 5,600,000 shares of Common Stock were issued in the Financing. In order to comply with the NYSE MKT listing rules, the right to exercise all of the warrants is limited until shareholders approve Proposal 5. Under these limitations, the warrants are exercisable only if the underlying shares, when aggregated with the shares of Common Stock issued in the Financing, do not exceed 19.99% of the issued and outstanding Common Stock on October 8, 2015, or 2,840,000 shares (the “Warrant Exercise Cap”). Therefore, prior to shareholder approval, only 40,000 shares of Common Stock underlying the Warrants may be issued upon exercise of the Warrants.

The following table sets forth certain information regarding beneficial ownership of Common stock as of November 4, 2015:

- Each person known by the Company to be the beneficial owner of more than 5% of the outstanding Common stock;

- Each person serving as a director, a nominee for director, or executive officer of the Company; and
- All executive officers and directors of the Company as a group.

Percentage beneficially owned is based upon 17,171,360 shares of Common Stock issued and outstanding as of November 4, 2015.

Because Iroquois Master Fund, Ltd. has exceeded the Conversion Cap, it cannot convert or exercise its rights under the Series A Convertible Preferred Stock or warrants, respectively, within 60 days hereof and thus is not deemed to beneficially own those shares of Common Stock underlying the Preferred Stock and warrants. The holder's ownership has been so limited. Mr. Honig's address is 555 South Federal Highway, #450, Boca Raton, FL 33432.

In addition, the Company has an aggregate of 10,296 shares of Series A Preferred Stock outstanding as of November 4, 2015 which each entitle the respective holders to one vote per share of Series A Preferred Stock.

#### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

#### **Required Vote**

Our Certificate of Incorporation, as amended, does not authorize cumulative voting. Delaware law and our Bylaws provide that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee’s achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee will be counted toward that nominee’s achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee’s achievement of a plurality.

## EXECUTIVE COMPENSATION

### Compensation Policies and Practices and Risk Management

The Board considers, in establishing and reviewing our compensation philosophy and programs, whether such programs encourage unnecessary or excessive risk taking. Base salaries are fixed in amount and consequently the Board does not see them as encouraging risk taking. We also provide named executive officers and other senior managers with long-term equity awards to help further align their interests with our interests and those of our stockholders. The Board believes that these awards do not encourage unnecessary or excessive risk taking since the awards are generally provided at the beginning of an employee's tenure or at various intervals to award achievements or provide additional incentive to build long-term value and are subject to vesting schedules to help ensure that executives and senior managers have significant value tied to our long-term corporate success and performance.

The Board believes that our compensation philosophy and programs encourage employees to strive to achieve both short- and long-term goals that are important to our success and building stockholder value, without promoting unnecessary or excessive risk taking. The Board has concluded that our compensation philosophy and practices are not reasonably likely to have a material adverse effect on us.

In addition, our Compensation Committee undertakes such analyses and makes such determinations as it deems appropriate. In addition, the Compensation Committee makes decisions regarding the levels of compensation for each of our executive officers.

Such terms may include conditions which shall be determined by the Committee and need not be uniform with respect to Participants.

(v) To accelerate the time at which any Option or Stock Award may be exercised, or the time at which a Stock Award or Common Stock issued under the Plan may become transferable or non-forfeitable.

(vi) To determine whether and under what circumstances an Option may be settled in cash, shares of Common Stock or other property instead of Common Stock.

(vii) To waive, amend, cancel, extend, renew, accept the surrender of, modify or accelerate the vesting of or lapse of restrictions on all or any portion of an outstanding Award. Except as otherwise provided by the Plan, the Award Agreement or as required to comply with applicable law, regulation or rule, no amendment, cancellation or modification shall, without a Participant's consent, adversely affect any rights of the Participant; provided, however, that (x) an amendment or modification that may cause an Incentive Stock Option to become a Nonqualified Stock Option shall not be treated as adversely affecting the rights of the Participant and (y) any other amendment or modification of any Award Agreement that does not, in the opinion of the Committee, adversely affect any rights of any Participant, shall not require such Participant's consent.

(viii) To prescribe the form of Award Agreements or any other agreements under the Plan; to adopt policies and procedures for the exercise of Options or Stock Awards, including the satisfaction of withholding obligations; to adopt, amend, and rescind policies and procedures pertaining to the administration of the Plan; and to make all other determinations necessary or advisable for the administration of the Plan.

## **ELIGIBILITY**

Awards, other than ISOs, may be granted to any Eligible Person selected by the Committee upon the recommendation of the Company's management. ISOs may be granted only to employees of the Company or a parent or a subsidiary, upon the recommendation of the Company's management.

An "Eligible Person" under the Plan is an employee of the Company, an "Affiliate" (which is defined in the Plan and includes, among others, a parent and subsidiary of the Company, corporations or businesses that are controlled by the Company or one of its Affiliates, any other entity that the Board designates an Affiliate, and any executive officer, director or 10% shareholder of the Company), a director, or a consultant to the Company.

A "Participant" in the Plan is an Eligible Person who is selected by the Committee to receive an Award, and is party to an agreement (an "Award Agreement," which will be entered into in connection with each type of Award under the Plan), setting forth the terms of such person's Award.

A consultant may be an Eligible Person only if the offer or sale of the Company's securities would be eligible for registration on Form S-8 Registration Statement (or any successor form) because of the identity and nature of the services provided by such consultant, unless the Company determines that an offer or sale of its securities to such consultant would satisfy another exemption from the registration under the Securities Act of 1933, as amended, and complies with the securities laws of all other jurisdictions applicable to such offer or sale. Awards to consultants shall be granted upon the recommendation of the Company's management.

The Committee may make Awards under the Plan by assumption, in substitution or replacement of performance shares, phantom shares, stock awards, stock options, stock appreciation rights or similar awards granted by another entity (including an Affiliate) in connection with a merger, consolidation, acquisition of property or stock or similar transaction. Notwithstanding any provision of the Plan (other than the maximum number of shares of Common Stock that may be issued under the Plan), the terms of such assumed, substituted, or replaced Awards shall be as the Committee, in its discretion, determines is appropriate.

#### **SHARES OF COMMON STOCK SUBJECT TO THE PLAN**

The Plan currently authorized the issuance of Awards under the Plan for up to a total of 1,335,000 shares of Common Stock underlying such Awards. The Board is seeking to increase this number by 1,665,000 shares to 3,000,000 shares. The number of shares of Common Stock with respect to which Awards may be granted under the Plan is subject to adjustment for changes in the Company's capitalization, merger, consolidation or asset sale, as set forth in Section 9 of the Plan.

In the event that any outstanding Award expires or is terminated for any reason, the unissued or unpurchased shares of Common Stock underlying those Awards will become available for future grant under the Plan, and accordingly may again be subject to an Award granted to the same Participant or to another Eligible Person under the Plan.

#### **OPTIONS**

The Committee will designate each Eligible Person to whom an Option is to be granted upon the recommendation of the Company's management, and will specify the number of shares of Common Stock covered by such Option. The Stock Option Agreement shall specify whether the Option is an ISO or NQSO, the exercise price of the such Option, the vesting schedule applicable to such Option, the expiration date of such Option, events of termination of such Option, and any other terms of such Option. The terms and conditions of Stock Option Agreements may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Options need not be identical. No Option that is intended to be an ISO shall be invalid for failure to qualify as an ISO but instead shall be deemed a NQSO.

The Board of Directors believes that the ability to grant Options to employees who qualify for ISO treatment provides an additional material incentive to certain key employees. The Code requires that ISOs be granted pursuant to an option plan that receives stockholder approval within one year of its adoption. The Stockholders are hereby requested to approve the Plan in order to comply with this statutory requirement and preserve the Company's ability to grant ISOs, and in order to comply with the American Stock Exchange rules which require such an approval.

#### **Date of Grant of Option**

The "Date of Grant" is the date that the Committee approves an Option grant, provided that all terms of such grants, including the amount of shares, the exercise price and vesting are determined at such time.

#### **Option Price**

The exercise price per share of Common Stock subject to an Option shall be determined by the Committee, but shall comply with the following:

(i) The exercise price per share for Common Stock subject to an Option (other than an ISO to a 10% shareholder) shall not be less than one hundred percent (100%) of the Fair Market Price (as defined in the Plan) on the Date of Grant.

(ii) The exercise price per share for Common Stock subject to an ISO granted to a Participant who is deemed to be a 10% shareholder on the Date of Grant, shall not be less than one hundred ten percent (110%) of the Fair Market Price on the Date of Grant.

“Fair Market Price” means, on any given date, the current fair market price of the shares of Common Stock as determined as follows:

(i) If the Common Stock is traded on a national securities exchange, including the American Stock Exchange, the closing price for the day of determination as quoted on such market or exchange, whichever is the primary market or exchange for trading of the Common Stock (provided that the Common Stock continues to be listed on the American Stock Exchange it shall be deemed to be the primary market or exchange) or if no trading occurs on such date, the last day on which trading occurred, or such other appropriate date as determined by the Committee in its discretion, as reported by such market or exchange or such other source as the Committee deems reliable;

(ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, its Fair Market Price shall be the mean between the high and the low asked prices for the Common Stock for the day of determination; or

(iii) In the absence of an established market for the Common Stock, Fair Market Price shall be determined by the Committee in good faith.

#### **Duration of Options**

Unless a shorter period is provided by the Stock Option Agreement, the maximum period during which an Option may be exercised shall be seven (7) years from the Date of Grant. In the case of an ISO that is granted to a 10% shareholder on the Date of Grant, such Option shall not be exercisable after the expiration of five (5) years from the Date of Grant.

#### **Maximum Value of ISOs**

To the extent that the aggregate Fair Market Price of the Common Stock with respect to which ISOs granted to any Participant are exercisable for the first time during any calendar year (under all stock option plans of the Company or any parent or subsidiary) exceeds \$100,000 (or such other amount provided in Section 422 of the Code), the Options shall not be deemed to be ISO. For purposes of this section of the Plan, the Fair Market Price of the Common Stock will be determined as of the time the ISO with respect to the Common Stock is granted. This section of the Plan will be applied by taking ISOs into account in the order in which they are granted.

#### **Non-transferability of Options**

Options granted under the Plan which are intended to be ISOs are nontransferable except by will or by the laws of descent and distribution and during the lifetime of the Participant are exercisable by only the Participant to whom the ISO is granted.

Except to the extent transferability of NQSO is provided for in the Stock Option Agreement or is approved by the Committee, during the lifetime of the Participant to whom the NQSO is granted, such Option may be exercised only by the Participant. If the Stock Option Agreement so provides or the Committee so approves, a NQSO may be transferred by a Participant through a gift or domestic relations order to the Participant's family members to the extent in compliance with applicable securities laws and regulations and provided that such transfer is not a transfer for value (within the meaning of applicable securities laws and regulations). Any holder of a NQSO that was transferred pursuant to this section of the Plan shall be bound by the same terms and conditions that governed the Option during the period that it was held by the Participant.

In addition, ISOs or NQSOs are not subject to execution, attachment or similar process, unless such obligation is to the Company itself or to an Affiliate.

## **Vesting and Termination of Options**

Options will vest and terminate as provided in the Stock Option Agreement, which shall provide for specific vesting and termination provisions.

## **Exercise of Options and Payment upon Exercise**

Options may be exercised in whole or in part at any time after vesting, prior to termination, and in compliance with such requirements as the Committee shall determine. A partial exercise of an Option shall not affect the right to exercise the Option from time to time with respect to the remaining shares subject to the Option. The Participant may face certain restrictions on his/her/its ability to exercise Options and/or sell underlying shares when such Participant is potentially in possession of insider information. The Company will make the Participant aware of any formal insider trading policy it adopts, and the provisions of such insider trading policy (including any amendments thereto) shall be binding upon the Participant.

Upon the exercise of any Option, payment of the exercise price for an Option shall be made in cash or a cash equivalent acceptable to the Committee, or if the Common Stock is traded on an established securities market, by payment of the exercise price by a broker-dealer or by the Option holder with cash advanced by the broker-dealer if the exercise notice is accompanied by the Option holder's written irrevocable instructions to deliver the Common Stock acquired upon exercise of the Option to the broker-dealer or by delivery of the Common Stock to the broker-dealer with an irrevocable commitment by the broker-dealer to forward the exercise price to the Company. With the consent of the Committee, payment of all or a part of the exercise price of an Option may also be made (i) by surrender to the Company (or delivery to the Company of a properly executed form of attestation of ownership) of shares of Common Stock that have been held for such period prior to the date of exercise as is necessary to avoid adverse accounting treatment to the Company, or (ii) any other method acceptable to the Committee, including without limitation, the withholding of shares receivable upon settlement of the option in payment of the exercise price. If Common Stock is used to pay all or part of the exercise price, the sum of the cash or cash equivalent and the Fair Market Price (determined as of the date of exercise) of the shares surrendered must not be less than the Option price of the shares for which the Option is being exercised.

## **No Rights as a Shareholder; Voting Proxy**

A Participant shall have no rights as a stockholder of the Company with respect to any Common Shares covered by an Option until the date of exercise and the Company has issued the certificate for the Participant's shares of Common Stock.

## **Notification to Company upon Disposition of an ISO**

Participants are required to notify the Company of any sale or other disposition of Common Stock acquired pursuant to an ISO if such sale or disposition occurs within two years of the Date of Grant or within one year of the issuance of the Common Stock. The Company may require that certificates evidencing shares of Common Stock purchased upon the exercise of ISO be endorsed with a restrictive legend.

## **Repricing of Options**

The Plan provides that the Committee may not permit a Repricing of any Option without the approval of the Company's Stockholders.

## **STOCK AWARDS**

The Plan also provides for four types of Stock Awards, each to be granted upon the recommendation of the Company's management: Stock Bonus Awards, Restricted Stock Awards, Stock Appreciation Rights and Deferred Shares. Stock Bonus Awards, Restricted Stock Awards and Stock Appreciation Rights may be granted by the Committee with such terms and conditions as the Committee deems appropriate. These terms shall be set forth in each respective Stock Award Agreement. The terms and conditions for Stock Bonus Awards, Restricted Stock Awards and Stock Appreciate Rights may change from time to time, with respect to each type of award, and from Participant to Participant who receive each type of award, and the terms and conditions of separate awards in each category need not be identical.

### **Provisions Particular to Restricted Stock Awards**

Vesting of any grant of Restricted Stock Awards may be further conditioned upon the attainment of Performance Objectives (as defined in the Plan) established by the Committee in accordance with the applicable provisions of Section 8 of the Plan regarding Performance Shares. (See "Performance Shares" below.)

### **Provisions Particular to Stock Appreciation Rights**

Stock Appreciation Rights are exercisable for seven (7) years from the date such Stock Appreciation Right is granted. The base price per share for each share of Common Stock covered by an award of Stock Appreciation Rights shall not be less than one hundred percent (100%) of the Fair Market Price of a share of Common Stock on the date of grant. Stock Appreciation Rights may not be repriced without the approval of the Company's Stockholders.

The Participant will not have any rights as a stockholder of the Company with respect to the shares of Common Stock covered by a Appreciation Rights and will not have voting rights with respect to such shares until exercise, however, if the payment made to reflect the increase in Fair Market Price is made in shares of Common Stock, then the Participant will have all rights as a stockholder with respect to such shares.

### **Deferred Shares**

The Committee may authorize grants of Deferred Shares to Participants upon the recommendation of the Company's management and upon such terms and conditions as the Committee may determine in accordance with the following provisions:

(i) Each grant shall constitute the agreement by the Company to issue or transfer shares of Common Stock to the Participant in the future in consideration of the performance of services, subject to the fulfillment during the Deferral Period of such conditions as the Committee may specify.

(ii) Each grant may be made without additional consideration from the Participant or in consideration of a payment by the Participant that is less than the Fair Market Price on the date of grant.

(iii) Each grant shall provide that the Deferred Shares covered thereby shall be subject to a Deferral Period, which shall be fixed by the Committee on the date of grant, and any grant or sale may provide for the earlier termination of such period in the event of a change in control of the Company or other similar transaction or event.

(iv) During the Deferral Period, the Participant shall not have any right to transfer any rights under the subject Award, shall not have any rights of ownership in the Deferred Shares and shall not have any right to vote such shares, but the Committee may on or after the date of grant, authorize the payment of dividend or other distribution equivalents on such shares in cash or additional shares on a current, deferred or contingent basis.

(v) Any grant, or the vesting thereof, may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 8 of the Plan regarding Performance Shares.

(vi) Each grant shall be evidenced by an agreement delivered to and accepted by the Participant and containing such terms and provisions as the Committee may determine consistent with the Plan. The terms and conditions of the agreements for Deferred Shares may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Deferred Shares need not be identical.

## PERFORMANCE SHARES

The Committee may authorize grants of Performance Shares upon the recommendation of the Company's management, which shall become payable to the Participant upon the achievement of specified Performance Objectives, upon such terms and conditions as the Committee may determine in accordance with the following provisions:

(i) Each grant shall specify the number of Performance Shares to which it pertains, which may be subject to adjustment to reflect changes in compensation or other factors.

(ii) The Performance Period with respect to each Performance Share shall commence on the date established by the Committee and may be subject to earlier termination in the event of a change in control of the Corporation or similar transaction or event.

(iii) Each grant shall specify the Performance Objectives that are to be achieved by the Participant.

(iv) Each grant may specify in respect of the specified Performance Objectives a minimum acceptable level of achievement below which no payment will be made and may set forth a formula for determining the amount of any payment to be made if performance is at or above such minimum acceptable level but falls short of the maximum achievement of the specified Performance Objectives.

(v) Each grant shall specify the time and manner of payment of Performance Shares that shall have been earned, and any grant may specify that any such amount may be paid by the Corporation in cash, shares of Common Stock or any combination thereof and may either grant to the Participant or reserve to the Committee the right to elect among those alternatives.

(vi) Any grant of Performance Shares may specify that the amount payable with respect thereto may not exceed a maximum specified by the Committee on the date of grant.

(vii) Any grant of Performance Shares may provide for the payment to the Participant of dividend or other distribution equivalents thereon in cash or additional shares of Common Stock on a current, deferred or contingent basis.

(viii) If provided in the terms of the grant and subject to the requirements of Section 162(m) of the Code (in the case of awards intended to qualify for exception therefrom), the Committee may adjust Performance Objectives and the related minimum acceptable level of achievement if, in the sole judgment of the Committee, events or transactions have occurred after the date of grant that are unrelated to the performance of the Participant and result in distortion of the Performance Objectives or the related minimum acceptable level of achievement.

(ix) Each grant shall be evidenced by an agreement that shall be delivered to and accepted by the Participant, which shall state that the Performance Shares are subject to all of the terms and conditions of the Plan and such other terms and provisions as the Committee may determine consistent with the Plan. The terms and conditions of the agreements for Performance Shares may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Performance Shares need not be identical.

(x) Until the achievement of the Performance Objectives and the resulting issuance of the Performance Shares, the Participant shall not have any rights as a stockholder in the Performance Shares and shall not have any right to vote such shares, but the Committee may on or after the date of grant, authorize the payment of dividend or other distribution equivalents on such shares in cash or additional shares on a current, deferred or contingent basis.

## **SECURITIES REGULATION AND TAX WITHHOLDING**

No Options or Stock Award shall be exercisable, no Common Stock shall be issued, no certificates for shares of Common Stock shall be delivered, and no payment shall be made under the Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements), any listing agreement to which the Company is a party, and the rules of all domestic stock exchanges or quotation systems on which the Corporation's shares may be listed, including but not limited to the NYSE MKT. The Company shall have the right to rely on an opinion of its counsel as to such compliance. In the absence of an effective and current registration statement on an appropriate form under the Securities Act, or a specific exemption from the registration requirements of the Securities Act, shares of Common Stock issued under the Plan shall be restricted shares. Any share certificate issued to evidence Common Stock when a Stock Award is granted or for which an Option is exercised may bear such restrictive legends and statements as the Committee may deem advisable to assure compliance with federal and state laws and regulations. In addition, no Option or Stock Award shall be exercisable, no Stock Award shall be granted, no Common Stock shall be issued, no certificate for shares shall be delivered, and no payment shall be made under the Plan until the Company has obtained such consent or approval as the Committee may deem advisable from regulatory bodies having jurisdiction over such matters.

The Committee may require that a Participant, as a condition to receipt or exercise of a particular award, execute and deliver to the Company a written statement, in form satisfactory to the Committee, in which the Participant represents and warrants that the shares are being acquired for such Participant's own account, for investment only and not with a view to the resale or distribution thereof. The Participant shall, at the request of the Committee, be required to represent and warrant in writing that any subsequent resale or distribution of shares of Common Stock by the Participant shall be made only pursuant to either (i) a registration statement on an appropriate form under the Securities Act, which registration statement has become effective and is current with regard to the shares being sold, or (ii) a specific exemption from the registration requirements of the Securities Act, but in claiming such exemption the Participant shall, prior to any offer of sale or sale of such shares, obtain a prior favorable written opinion of counsel, in form and substance satisfactory to counsel for the Company, as to the application of such exemption thereto.

The Company or an Affiliate (including through its brokers or agents) shall have the right, before any certificate for any Common Stock is delivered, to deduct or withhold from any payment owed to a Participant any amount that is necessary in order to satisfy any withholding requirement that the Company or Affiliate in good faith believes is imposed upon it in connection with U.S. (or any other country's) federal, state, or local taxes, including transfer taxes, as a result of the issuance of, or lapse of restrictions on, such Common Stock, or otherwise require such Participant to make provision for payment of any such withholding amount. Subject to such conditions as may be established by the Committee, the Committee may permit a Participant to (i) have Common Stock otherwise issuable under an Option or Stock Award withheld to the extent necessary to comply with minimum statutory withholding rate requirements, (ii) tender back to the Company shares of Common Stock received pursuant to an Option or Stock Award to the extent necessary to comply with minimum statutory withholding rate requirements for supplemental income, (iii) deliver to the Company previously acquired Common Stock, (iv) have funds withheld from payments of wages, salary, fee or other cash compensation due the Participant, (v) pay the Company or its Affiliate in cash, in order to satisfy part or all of the obligations for any taxes required to be withheld or otherwise deducted and paid by the Company or its Affiliate with respect to the Option or Stock Award; or (vi) establish a 10b5-1 trading plan for withheld stock designed to facilitate the sale of stock in connection with the vesting of such shares, the proceeds of which shall be utilized to make all applicable withholding payments in a manner to be coordinated by the Company's Chief Financial Officer.

## **EFFECT ON EMPLOYMENT AND SERVICE**

The Plan, and its operation does not confer upon anyone any right to continue in the employ or service of the Corporation or an Affiliate, affect any right and power of the Company or an Affiliate to change a person's duties or terminate the employment or service of any individual at any time with or without assigning a reason therefore or except to the extent the Committee grants an Option or Stock Award to such individual, confer on any individual the right to participate in the benefits of the Plan.

## **USE OF PROCEEDS**

The Company intends to use the proceeds it receives from the exercise of any options granted pursuant to the Plan for working capital and/or investment in equipment and/or acquisitions and/or business development.

## **AMENDMENT AND TERMINATION**

The Committee may amend or terminate the Plan from time to time. Stockholder approval shall be required for any amendment that (i) increases the aggregate number of shares of Common Stock that may be issued under the Plan, except as contemplated by Section 5.A or Section 9.B of the Plan; (ii) changes the class of Participants eligible to receive ISOs; (iii) modifies the restrictions on Repricings set forth in the Plan; or (iv) is required by the terms of any applicable law, regulation or rule, including the rules of any market on which the Company's shares are traded or exchange on which the Company's shares are listed. Except as specifically permitted by the Plan, a Stock Option Agreement or Stock Award Agreement or as required to comply with applicable law, regulation or rule, no amendment shall, without a Participant's consent, adversely affect any rights of such Participant under any Option or Stock Award outstanding at the time such amendment is made; provided, however, that an amendment that may cause an ISO to become a NQSO shall not be treated as adversely affecting the rights of the Participant. Any amendment requiring stockholder approval shall be approved by the Stockholders of the Company within twelve (12) months of the date such amendment is adopted by the Committee.

## **CONTRACTUAL OBLIGATIONS TO GRANT AWARDS UNDER THE PLAN**

The Committee approved the amendment effective November \*, 2015, subject to approval by the Company's stockholders within twelve (12) months. Unless and until the amendment to increase the number of shares available for issuance under the Plan is approved by the Company's Stockholders, no Option or Stock Award in excess of the originally approved 1,335,000 shares may be exercised, and no additional shares of Common Stock may be issued under the Plan. In the event that the Company's Stockholders do not approve the amendment within such twelve (12) month period, the Plan and any previously granted Options or Stock Awards in excess of 1,335,000 shares will terminate.

### **Required Vote**

Approval of an amendment to the Plan to increase the amount of shares of Common Stock that may be issued under the Plan to 3,000,000 shares from 1,335,000 shares, an increase of 1,665,000 shares, requires the affirmative vote of the holders of a majority of the Common Stock present in person or represented by proxy at the Meeting.

### **Recommendation**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL 2 TO APPROVE AN AMENDMENT TO THE 2012 STOCK INCENTIVE PLAN TO INCREASE THE AMOUNT OF SHARES OF COMMON STOCK THAT MAY BE ISSUED UNDER THE PLAN TO 3,000,000 SHARES FROM 1,335,000 SHARES, AN INCREASE OF 1,665,000 SHARES.**

**PROPOSAL NO. 3  
THE RATIFICATION OF THE APPOINTMENT OF MARCUM LLP AS  
THE COMPANY'S INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FOR  
FISCAL YEAR 2015**

The Board of Directors has appointed Marcum LLP ("Marcum") as our independent registered certified public accounting firm for the fiscal year 2015 and has further directed that the selection of Marcum be submitted to a vote of stockholders at the annual meeting for ratification.

As described below, the stockholder vote is not binding on the Board. If the appointment of Marcum is not ratified, the Board will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to stockholders. Even if the appointment of Marcum is ratified, the Board may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of our Company and our stockholders.

Representatives of Marcum are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

**INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FEES AND SERVICES**

EisnerAmper LLP ("Eisner") served as our independent auditors for the fiscal year ended December 31, 2012. On April 18, 2013, we dismissed Eisner, and Marcum LLP ("Marcum") became our independent auditor. The following is a summary of the fees billed to the Company (all such fees billed by Marcum) for professional services rendered for the fiscal years ended December 31, 2014 and 2013.

	<b>Year ended December 31,</b>	
	<b>2014</b>	<b>2013</b>
<b>Audit</b>	\$ 218	\$ 142
<b>Tax</b>	32	20
<b>Total</b>	<b>\$ 250</b>	<b>\$ 162</b>

Audit fees consist of fees billed for services rendered for the audit of our financial statements and review of our financial statements included in our quarterly reports on Form 10-Q.

Tax fees consist of fees billed for professional services related to the preparation of our U.S. federal and state income tax returns and tax advice.

The Audit Committee pre-approved all audit-related fees. After considering the provision of services encompassed within the above disclosures about fees, the Audit Committee has determined that the provision of such services is compatible with maintaining Marcum's independence.

*Pre-approval policy of services performed by independent registered public accounting firm*

The Audit Committee's policy is to pre-approve all audit and non-audit related services, tax services and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated the pre-approval authority to its chairperson when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval and the fees for the services performed to date.

**Recommendation**

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF MARCUM AS OUR INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FOR THE YEAR 2015. IF THE APPOINTMENT IS NOT RATIFIED, OUR BOARD WILL CONSIDER WHETHER IT SHOULD SELECT ANOTHER INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM.**

**PROPOSAL NO. 4**  
**APPROVAL OF AN AMENDMENT TO THE COMPANY'S**  
**CERTIFICATE OF INCORPORATION TO IMPLEMENT**  
**A REVERSE STOCK SPLIT OF THE COMPANY'S CAPITAL STOCK AT A RATIO WITHIN A RANGE OF**  
**1 FOR 8 TO 1 FOR 40**

**General**

The Board of Directors has approved and is seeking stockholder approval of an amendment to our Certificate of Incorporation to implement a reverse stock split of the Company's capital stock, at a ratio within the range of 1 for 8 to 1 for 40 (the "Reverse Stock Split") at any time following the Annual Meeting and prior to the 2016 Annual Meeting.

If this proposal is approved by our stockholders, the Board of Directors will have the authority, without further action on the part of the stockholders, to implement the Reverse Stock Split at any ratio within the range set forth above by filing an amendment to the Certificate of Incorporation, in the form attached hereto as Appendix B (the "Reverse Stock Split Amendment"), with the Delaware Secretary of State; *provided* that the text set forth in Appendix B is subject to such changes as may be required by the Delaware Secretary of State or as the Board deems reasonably necessary and advisable to implement the Reverse Stock Split.

Except for any changes as a result of the treatment of fractional shares, each stockholder will hold the same percentage of the Common Stock outstanding immediately after the Reverse Stock Split as such stockholder held immediately prior to the Reverse Stock Split. The Reverse Stock Split would not change the number of authorized shares of common stock. There are currently no specific plans, arrangements, agreements or understandings for the issuance of the additional authorized but unissued and unreserved shares of common stock that would be created by the Reverse Stock Split. In the event that the Reverse Stock Split results in a stockholder holding a fractional share of Common Stock, such fractional share will be rounded up to the next whole number.

**Reasons for the Reverse Stock Split**

We believe that the Reverse Stock Split could enhance the appeal of the Common Stock to the financial community, including institutional investors, and the general investing public. We believe that a number of institutional investors and investment funds are reluctant to invest in lower-priced securities and that brokerage firms may be reluctant to recommend lower-priced stock to their clients, which may be due in part to a perception that lower-priced securities are less promising as investments, are less liquid in the event that an investor wishes to sell its shares, or are less likely to be followed by institutional securities research firms and therefore to have less third-party analysis of the company available to investors. In addition, certain institutional investors or investment funds may be prohibited from buying stocks whose price is below a certain threshold. We believe that the reduction in the number of issued and outstanding shares of the Common Stock caused by the Reverse Stock Split, together with the anticipated increased stock price immediately following and resulting from the Reverse Stock Split, may encourage interest and trading in our common stock and thus possibly promote greater liquidity for our stockholders, thereby resulting in a broader market for the common stock than that which currently exists.

We cannot assure you that all or any of the anticipated beneficial effects on the trading market for the Common Stock will occur. Our board of directors cannot predict with certainty what effect the Reverse Stock Split will have on the market price of the Common Stock, particularly over the longer term. Some investors may view a reverse stock split negatively, which could result in a decrease in our market capitalization. Additionally, any improvement in liquidity due to increased institutional or brokerage interest or lower trading commissions may be offset by the lower number of outstanding shares.

In addition to increasing the Common Stock price to a level more appealing for investors, we believe that the Reverse Stock Split would have other benefits:

- *Compliance with the NYSE MKT Continued Listing Requirements.* Our Common Stock is currently listed on the NYSE MKT, and the NYSE MKT has certain continued listing standards under which it will normally give consideration to suspending dealings in, or removing, a security from listing or unlisted trading, including market capitalization, stockholders' equity and low selling price issues. We believe that being listed on the NYSE MKT helps support and maintain liquidity of the Common Stock and company recognition and that the Reverse Stock Split will increase our ability to continue to meet the continued listing standards of the NYSE MKT.
- *Decreased Stock Price Volatility.* The intended increase in our stock price could decrease price volatility, as currently small changes in the price of the Common Stock result in relatively large percentage changes in the stock price.

#### **Determination of Ratio and Abandonment by the Board**

If Proposal No. 4 is approved by the Company's stockholders at the Annual Meeting, the actual Reverse Stock Split will be effected, if at all, only upon a subsequent determination by the Board that one of the ratios is in the best interests of the Company and its stockholders at the time. Such determination will be based upon many factors, including those described in the following paragraph. Notwithstanding approval of Proposal No. 4 by the stockholders, the Board may, in its sole discretion, abandon all of the proposed amendments and determine prior to the effectiveness of any filing with the Secretary of State of the State of Delaware not to effect any of the Reverse Stock Split. If the Board decides not to implement the Reverse Stock Split before the 2016 Annual Meeting of Stockholders, further stockholder approval would be required prior to implementing any reverse stock split.

The ratio of the Reverse Stock Split, if approved and implemented, will be a ratio of not less than 1 for 8 and not more than 1 for 40, as determined by the Board in its sole discretion. In determining the Reverse Stock Split ratio, the Board will consider numerous factors, including:

- the historical and projected performance of the Common Stock;
- prevailing market conditions;
- general economic and other related conditions prevailing in our industry and in the marketplace;
- the projected impact of the selected Reverse Stock Split ratio on trading liquidity in the Common Stock and our ability to maintain our listing on the NYSE MKT;
- our capitalization (including the number of shares of Common Stock issued and outstanding);
- the prevailing trading price for the Common Stock and the volume levels thereof; and
- potential devaluation of our market capitalization as a result of a Reverse Stock Split.

The purpose of asking for authorization to implement the Reverse Stock Split at a ratio to be determined by the Board, as opposed to a ratio fixed in advance, is to give the Board the flexibility to take into account then-current market conditions and changes in the price of the Common Stock and to respond to other developments that may be deemed relevant when considering the appropriate ratio.

#### **Authorized Shares of Common Stock and "Anti-Takeover" Effect**

Our Certificate of Incorporation presently authorizes 75,000,000 shares of Common Stock. The Reverse Stock Split would not change the number of authorized shares of Common Stock. Therefore, because the number of issued and outstanding shares of Common Stock would decrease, the number of shares remaining available for issuance by us in the future would increase. These additional shares would be available for issuance from time to time for corporate purposes such as issuances of Common Stock in connection with capital-raising transactions and acquisitions of companies or other assets, as well as for issuance upon conversion or exercise of securities such as convertible debt, warrants or options convertible into or exercisable for Common Stock. We believe that the availability of the additional shares will provide us with the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond effectively in a changing corporate environment. For example, we may elect to issue shares of Common Stock to raise equity capital, to make acquisitions through the use of stock, to establish strategic relationships with other companies, to adopt additional employee benefit plans or reserve additional shares for issuance under such plans, where the Board determines it advisable to do so, without the necessity of soliciting further stockholder approval, subject to applicable stockholder vote requirements under Delaware Corporation Law and the NYSE MKT rules. If we issue additional shares for any of these purposes, the aggregate ownership interest of our current stockholders, and the interest of each such existing stockholder, would be diluted, possibly substantially. There are currently no specific plans, arrangements, agreements or understandings for the issuance of the additional authorized but unissued and unreserved shares of Common Stock that would be created by the Reverse Stock Split.

The increase in the number of shares of authorized but unissued and unreserved Common Stock will have an 'anti-takeover effect' by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of the Certificate of Incorporation or Bylaws. The increased number of available authorized but unissued shares as a result of the Reverse Stock Split would give the Company's management more flexibility to resist or impede a third-party takeover bid that provides an above-market premium that is favored by a majority of the independent stockholders. Any such anti-takeover effect of a reverse stock split would be in addition to existing anti-takeover provisions of the Certificate of Incorporation and Bylaws.

#### **Effects of the Reverse Stock Split**

Except for adjustments that may result from the treatment of fractional shares as described below, each stockholder will hold the same percentage of our outstanding Common Stock immediately following the implementation of the Reverse Stock Split as that stockholder held immediately prior to the Reverse Stock Split. On November \*, 2015, we had \* shares of Common Stock issued and outstanding and \* shares of Common Stock that were authorized but unissued. At November \*, 2015, we had reserved \* shares for future issuance, consisting of (i) \* shares of Common Stock potentially issuable upon exercise of outstanding warrants, (ii) \* shares of Common Stock potentially issuable upon exercise of outstanding stock options and (iii) \* shares of Common Stock issuable upon the conversion of Series A Preferred Stock. All of these share numbers will be adjusted in accordance with the ratio of the Reverse Stock Split. With respect to outstanding options and warrants, the respective exercise prices of the options and warrants would increase by a factor equal to the inverse of the Reverse Stock Split ratio. For example, if a 1 for 8 ratio is selected by the Board of Directors, then the exercise price of our outstanding options and warrants would increase by a factor of 8.

After the Reverse Stock Split is implemented, each stockholder will own a reduced number of shares of the Common Stock based on the exchange ratio selected by the Board. For example, if the Board decides to implement a 1 for 8 Reverse Stock Split, then for every 8 shares of the Common Stock that a stockholder owns they will be combined and converted into a single share of the Common Stock. We estimate that following the implementation of the Reverse Stock Split we would have approximately the same number of stockholders. Except for any changes as a result of the treatment of fractional shares, the completion of the Reverse Stock Split alone would not change any stockholder's proportionate ownership interest in the Company. The implementation of the Reverse Stock Split may, however, increase the number of stockholders of the Company who own "odd lots" of less than 100 shares of the Common Stock. Odd lots may be more difficult to sell, and brokerage commissions and other costs of transactions in odd lots are generally higher than the costs of transactions of more than 100 shares of Common Stock.

The Reverse Stock Split will not affect the par value of the Common Stock.

The table below illustrates the number of shares of Common Stock authorized for issuance following the Reverse Stock Split, the approximate number of shares of Common Stock that would remain outstanding following the Reverse Stock Split, the approximate number of shares of Common Stock reserved for future issuance upon exercise of outstanding options and warrants and conversion of preferred stock following the Reverse Stock Split, and the number of unreserved shares of Common Stock available for future issuance following the Reverse Stock Split. The information in the following table is based on \* shares of Common Stock issued and outstanding as of November \*, 2015 and \* shares reserved for future issuance as of November \*, 2015.

Although the Board expects that the reduction in outstanding shares of Common Stock will result in an increase in the per share price of the Company's Common Stock, there is no assurance that such a result will occur. Similarly there is no assurance that if the per share price of the Company's Common Stock increases as a result of the Reverse Stock Split, such increase in the per share price will be permanent, which will be dependent on several factors.

- Should the per share price of the Common Stock decline after implementation of the Reverse Stock Split, the percentage decline may be greater than would occur in the absence of the Reverse Stock Split.
- The anticipated resulting increase in per share price of the Company's Common Stock due to the Reverse Stock Split is expected to encourage interest in the Company's Common Stock and possibly promote greater liquidity for our stockholders. However, such liquidity could also be adversely affected by the reduced number of shares that would be outstanding after the Reverse Stock Split.
- The Reverse Stock Split could be viewed negatively by the market and, consequently, could lead to a decrease in our overall market capitalization. It is often the case that the reverse-split adjusted stock price and market capitalization of companies that effect a Reverse Stock Split decline.

#### **Treatment of Fractional Shares**

No fractional shares would be issued if, as a result the Reverse Stock Split, a registered stockholder would otherwise become entitled to a fractional share. Instead, stockholders who otherwise would be entitled to receive fractional shares because they hold a number of shares not evenly divisible by the ratio of the Reverse Stock Split will automatically be entitled to receive an additional share of Common Stock. In other words, any fractional share will be rounded up to the nearest whole number.

## Exchange of Stock Certificates

The combination of, and reduction in, the number of shares of our outstanding Common Stock as a result of the Reverse Stock Split will occur automatically on the date that the amendment to our Certificate of Incorporation is filed with the Delaware Secretary of State (the "Effective Date"), without any action on the part of our stockholders and without regard to the date that stock certificates representing the outstanding shares of the Common Stock prior to the Effective Date are physically surrendered for new stock certificates.

As soon as practicable after the Effective Date, transmittal forms will be mailed to each holder of record of certificates for the Common Stock to be used in forwarding such certificates for surrender and exchange for certificates representing the number of shares of the Common Stock such stockholder is entitled to receive as a result of the Reverse Stock Split. Our transfer agent will act as exchange agent for purposes of implementing the exchange of the stock certificates. The transmittal forms will be accompanied by instructions specifying other details of the exchange. Upon receipt of the transmittal form, each stockholder should surrender the certificates representing the Common Stock prior to the Reverse Stock Split in accordance with the applicable instructions. Each holder who surrenders certificates will receive new certificates representing the whole number of shares of the Common Stock that he or she holds as a result of the Reverse Stock Split. New certificates will not be issued to a stockholder until the stockholder has surrendered his or her outstanding certificate(s) together with the properly completed and executed transmittal form to the exchange agent.

If your shares are held in an account at a brokerage firm or financial institution, which is commonly referred to as your shares being held in "street name," then you are the beneficial owner of those shares and the brokerage firm or financial institution holding your account is considered to be the stockholder of record. We intend to treat stockholders holding Common Stock in street name in the same manner as registered stockholders whose shares are registered in their names. Banks, brokers or other nominees will be instructed to effect the Reverse Stock Split for their beneficial holders holding Common Stock in street name. However, these banks, brokers or other nominees may have different procedures than registered stockholders for processing the Reverse Stock Split. If you hold your shares with a bank, broker or other nominee and if you have any questions in this regard, we encourage you to contact your bank, broker or nominee.

Any stockholder whose certificate has been lost, destroyed or stolen will be entitled to a new certificate only after complying with the requirements that we and our transfer agent customarily apply in connection with replacing lost, stolen or destroyed certificates.

No service charges, brokerage commissions or transfer taxes shall be payable by any holder of any old certificate, except that if any new certificate is to be issued in a name other than that in which the old certificate(s) are registered, it will be a condition of such issuance that (i) the person requesting such issuance must pay to us any applicable transfer taxes or establish to our satisfaction that such taxes have been paid or are not payable, (ii) the transfer complies with all applicable federal and state securities laws, and (iii) the surrendered certificate is properly endorsed and otherwise in proper form for transfer.

**STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATES AND SHOULD NOT SUBMIT THEIR STOCK CERTIFICATES UNTIL THEY RECEIVE A TRANSMITTAL FORM FROM OUR TRANSFER AGENT.**

## Accounting Consequences

The par value of the Common Stock will remain unchanged at \$0.001 per share after the Reverse Stock Split. As a result, our stated capital, which consists of the par value per share of the Common Stock multiplied by the aggregate number of shares of the Common Stock issued and outstanding, will be reduced proportionately at the effective time of the Reverse Stock Split. Correspondingly, our additional paid-in capital, which consists of the difference between our stated capital and the aggregate amount paid to us upon the issuance of all currently outstanding shares of Common Stock, will be increased by a number equal to the decrease in stated capital. Further, net loss per share, book value per share, net income and other per share amounts will be increased as a result of the Reverse Stock Split because there will be fewer shares of Common Stock outstanding.

### **No Appraisal Rights**

Under the Delaware General Corporation Law, our stockholders are not entitled to appraisal rights with respect to our proposed Reverse Stock Split, and we will not independently provide our stockholders with any such rights.

### **No Going Private Transaction**

Notwithstanding the decrease in the number of outstanding shares following the implementation of the Reverse Stock Split, the Board of Directors does not intend for this transaction to be the first step in a “going private transaction” within the meaning of Rule 13e-3 of the Securities Exchange Act of 1934, and the implementation of the proposed Reverse Stock Split will not cause the Company to go private.

### **Book-Entry Shares**

If the Reverse Stock Split is effected, stockholders who hold uncertificated shares (i.e. shares held in book entry form and not represented by a physical certificate), whether as direct or beneficial owners, will have their holdings electronically adjusted by our transfer agent (and for beneficial owners by their brokers or banks that hold the shares in street name for their benefit, as the case may be) to give effect to the Reverse Stock Split.

### **Certain Material U.S. Federal Income Tax Consequences of the Reverse Stock Split**

The following is a summary of certain material U.S. federal income tax consequences of the Reverse Stock Split to holders of the Common Stock. It addresses only U.S. stockholders who hold the pre-Reverse Stock Split Common Stock and post-Reverse Stock Split Common Stock as “capital assets” within the meaning of Section 1221 of the Internal Revenue Code of 1986, as amended (the “Code”). This discussion does not purport to be a complete discussion of all of the possible federal income tax consequences of the Reverse Stock Split and does not account for or consider the federal income tax consequences to stockholders in light of their individual investment circumstances or to stockholders subject to special treatment under the federal income tax laws, including but not limited to:

- banks, financial institutions, thrifts, mutual funds or trusts;
- tax-exempt organizations;
- insurance companies;
- dealers in securities or foreign currency;
- real estate investment trusts, personal holding companies, regulated investment companies, or passive foreign investment companies;
- foreign or United States expatriate stockholders;
- stockholders who are not “United States persons,” as defined in Section 7701 of the Internal Revenue Code;
- controlled foreign corporations;
- stockholders with a functional currency other than the U.S. dollar;
- stockholders who hold the pre-Reverse Stock Split Common Stock as part of a straddle, hedge, constructive sale, conversion transaction, or other integrated investment;
- stockholders who hold the pre-Reverse Stock Split Common Stock as “qualified small business stock” within the meaning of Section 1202 of the Internal Revenue Code;
- common trusts;

- traders, brokers, or dealers in securities who elect to apply a mark-to-market method of accounting;
- partnerships or other pass-through entities or investors in such entities;
- stockholders who are subject to the alternative minimum tax provisions of the Internal Revenue Code;
- stockholders who acquired their pre-Reverse Stock Split Common Stock pursuant to the exercise of employee stock options, through a tax-qualified retirement plan, or otherwise as compensation; or
- holders of warrants or stock options.

In addition, this discussion does not address any tax considerations under state, local, gift, or foreign tax laws.

This summary is based upon the Internal Revenue Code, existing and proposed U.S. Treasury regulations promulgated thereunder, legislative history, judicial decisions, and current administrative rulings and practices, all as in effect on the date hereof and all of which are subject to differing interpretations. Any of these authorities could be repealed, overruled, or modified at any time. Any such change could be retroactive and, accordingly, could cause the tax consequences of the Reverse Stock Split to vary substantially from the consequences described herein. Further, no ruling from the Internal Revenue Service (the “IRS”) or opinion of legal or tax counsel will be obtained with respect to the matters discussed herein, and there is no assurance or guarantee that the IRS would agree with the conclusions set forth in this summary. This information is not intended as tax advice to any person and may not be relied upon to avoid penalties.

**STOCKHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF THE REVERSE STOCK SPLIT, INCLUDING THE APPLICABILITY OF ANY STATE, LOCAL, GIFT, OR FOREIGN TAX LAWS, CHANGES IN APPLICABLE TAX LAWS, AND ANY PENDING OR PROPOSED LEGISLATION OR AUTHORITY.**

The Reverse Stock Split is intended to constitute a “recapitalization” within the meaning of Section 368(a)(1)(E) of the Internal Revenue Code. Certain filings with the IRS must be made by the Company and certain “significant holders” of the Common Stock in order for the Reverse Stock Split to qualify as a recapitalization. The tax consequences discussed below assume that the Reverse Stock Split is treated as a recapitalization and that the Common Stock is held by each stockholder as a capital asset:

- A stockholder generally will not recognize gain or loss as a result of the Reverse Stock Split.
- A stockholder’s aggregate tax basis of the post-Reverse Stock Split Common Stock received in the Reverse Stock Split will generally be equal to the aggregate tax basis of the pre-Reverse Stock Split Common Stock exchanged therefore (excluding any portion of the stockholder’s tax basis allocated to fractional share interests).
- A stockholder’s holding period for the Common Stock held post-Reverse Stock Split will include the holding period of the pre-Reverse Stock Split Common Stock exchanged.
- No gain or loss for federal income tax purposes will be recognized by the Company as a result of the Reverse Stock Split.

The foregoing discussion is intended only as a summary of certain U.S. federal income tax consequences of the Reverse Stock Split and does not purport to be a complete analysis or listing of all potential U.S. federal income tax consequences of the Reverse Stock Split.

**Recommendation**

**THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE REVERSE STOCK SPLIT AMENDMENT, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.**

## PROPOSAL NO. 5

### APPROVAL OF THE POTENTIAL ISSUANCE OF UP TO 5,560,000 SHARES OF COMMON STOCK UPON THE EXERCISE OF WARRANTS ISSUED TO INVESTORS IN A FINANCING CONSUMMATED ON OCTOBER 8, 2015, IN EXCESS OF 19.99% OF THE NUMBER OF SHARES OF COMMON STOCK THAT WERE ISSUED AND OUTSTANDING ON OCTOBER 8, 2015

#### Introduction

On October 8, 2015, the Company entered into separate subscription agreements with accredited investors relating to the issuance and sale of \$700,000 of units at a purchase price of \$0.25 per unit, with each unit consisting of one share of Common Stock (the “Shares”) and a warrant to purchase two shares (the “Warrant Shares”) of Common Stock at an initial exercise price of \$0.25 per share (the “Financing”). An aggregate of 2,800,000 Shares and warrants to purchase 5,600,000 Warrant Shares were issued in the Financing.

Section 713 of the NYSE MKT Company Guide requires for the listing of shares shareholder approval of any issuances or potential issuances of Common Stock (or securities convertible or exercisable into Common Stock) sold in private transactions if the number of shares sold is equal to or exceeds 20% or more of presently outstanding Common Stock and the price per share is less than the greater of book value or market value of the Common Stock (“Shareholder Approval”). As of the date of the Financing, the per share purchase price for the shares underlying the units was less than the greater of book value or market value of the Common Stock. The warrants contain a blocker that provides that, until Shareholder Approval is obtained, the warrants are exercisable to the extent that the Warrant Shares, together with the Shares, do not exceed 19.99% of the issued and outstanding Common Stock on October 8, 2015, or 2,840,000 shares (the “Warrant Exercise Cap”). Prior to Shareholder Approval, all 2,800,000 Shares may be issued (and were issued), but only 40,000 Warrant Shares may be issued upon exercise of the Warrants. No Warrant Shares have been issued as of November \*, 2015.

In order to permit the full exercise of the warrants in accordance with applicable listing rules of the NYSE MKT, the Company agreed to hold a special meeting of shareholders (which may also be at the annual meeting of shareholders) for the purpose of obtaining Shareholder Approval for removal of the Warrant Exercise Cap, with the recommendation of the Company’s Board of Directors that such proposal be approved (the “Proposal”). If the Company does not obtain Shareholder Approval at the first special or annual meeting, as applicable, the Company shall call a meeting every three months thereafter to seek Shareholder Approval until the earlier of the date Shareholder Approval is obtained or the warrants are no longer outstanding. Pursuant to NYSE MKT regulations, the 2,800,000 Shares issued in the Financing will not be counted towards approval of the Proposal. In connection with the Financing, the Company entered into voting agreements with each of Robert Ladd, its Chief Executive Officer, President and a director, and Josh Silverman, a director, to vote their existing shares in favor of the Proposal. Iroquois Master Fund Ltd., an entity controlled by Mr. Silverman, purchased \$75,000 of units in the Financing. The Shares underlying these units will not be counted towards approval of the Proposal.

#### Description of the Financing

On October 8, 2015, the Company entered into separate subscription agreements with accredited investors relating to the issuance and sale of \$700,000 of units at a purchase price of \$0.25 per unit, with each unit consisting of one Share and a warrant to purchase two Warrant Shares at an initial exercise price of \$0.25 per share. An aggregate of 2,800,000 Shares and warrants to purchase 5,600,000 Warrant Shares were issued in the Financing. The Company intends to use the proceeds from the Financing for general corporate purposes. No commissions were paid in connection with the Financing.

The warrants have a term of three years and are exercisable at a price of \$0.25 on the earlier of (i) one year from the date of issue or (ii) the occurrence of certain corporate events, including a private or public financing, subject to approval of the lead investor, in which the Company receives gross proceeds of at least \$7,500,000; a spinoff; one or more acquisitions or sales by the Company of certain assets approved by the stockholders of the Company; or a merger, consolidation, recapitalization, or reorganization approved by the stockholders of the Company (each, a “Qualifying Transaction”). The warrants may be exercised by means of a “cashless exercise” following the four month anniversary of the date of issue, provided that the Company has consummated a Qualifying Transaction and there is no effective registration statement registering the resale of the Warrant Shares. The Company is prohibited from effecting an exercise of any warrant to the extent that, as a result of any such exercise, the holder would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of such warrant, which beneficial ownership limitation may be increased by the holder up to, but not exceeding, 9.99%.

The warrants are further subject to other adjustments upon certain actions by the Company as outlined in the warrants:

*Stock Dividends and Stock Splits.* If the Company pays a stock dividend or otherwise makes a distribution payable in shares of Common Stock on shares of Common Stock or any other common stock equivalents, subdivides or combines outstanding Common Stock, or reclassifies Common Stock, the exercise price will be adjusted by multiplying the then exercise price by a fraction, the numerator of which will be the number of shares of Common Stock outstanding immediately before such event, and the denominator of which will be the number of shares of Common Stock outstanding immediately after such event.

*Rights Offerings.* If the Company issues common stock equivalents or rights to purchase stock, warrants, securities or other property pro rata to holders of Common Stock, a holder of the warrants will be entitled to acquire, without regard to any limitations, other than the beneficial ownership limitation, such common stock equivalents or rights that such holder could have acquired if such holder had held the number of shares of Common Stock issuable upon complete exercise of such holder's warrants immediately prior to the record date for such issuance.

*Fundamental Transactions.* If the Company effects a fundamental transaction, then upon any subsequent exercise of the warrants, the holder thereof shall have the right to receive, for each share of Common Stock that would have been issuable upon such exercise immediately prior to the occurrence of such fundamental transaction, the number of shares of the successor's or acquiring corporation's common stock or of Common Stock, if the Company is the surviving corporation, and any additional consideration receivable as a result of such fundamental transaction by a holder of the number of shares of Common Stock into which the warrant is exercisable immediately prior to such fundamental transaction. A "fundamental transaction" means: that (i) the Company or any of its subsidiaries shall, directly or indirectly, in one or more related transactions, (1) consolidate or merge with or into (whether or not the Company or any of its subsidiaries is the surviving corporation) any other person unless immediately following the closing of such transaction or series of related transactions the persons holding more than 50% of the voting stock of the Company prior to such closing continue to hold more than 50% of the voting stock of the Company following such closing or (2) sell, lease, license, assign, transfer, convey or otherwise dispose of all or substantially all of its respective properties or assets to any other person, or (3) assist any other person in making a purchase, tender or exchange offer that is accepted by the holders of more than 50% of the outstanding shares of voting stock of the Company (not including any shares of voting stock of the Company held by the person or persons making or party to, or associated or affiliated with the persons making or party to, such purchase, tender or exchange offer), or (4) consummate a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, or scheme of arrangement) with any other person whereby such other person acquires more than 50% of the outstanding shares of voting stock of the Company (not including any shares of voting stock of the Company held by the other person or other persons making or party to, or associated or affiliated with the other persons making or party to, such stock or share purchase agreement or other business combination) excluding any equity financing transaction in which shares of voting stock are issued, or (5) (I) reorganize, recapitalize or reclassify the Common Stock, (II) effect or consummate a stock combination, reverse stock split or other similar transaction involving the Common Stock or (III) make any public announcement or disclosure with respect to any stock combination, reverse stock split or other similar transaction involving the Common Stock (including, without limitation, any public announcement or disclosure of (x) any potential, possible or actual stock combination, reverse stock split or other similar transaction involving the Common Stock or (y) board or stockholder approval thereof, or the intention of the Company to seek board or stockholder approval of any stock combination, reverse stock split or other similar transaction involving the Common Stock), or (ii) any "person" or "group" (as these terms are used for purposes of Sections 13(d) and 14(d) of the Exchange Act and the rules and regulations promulgated thereunder) is or shall become the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 50% of the aggregate ordinary voting power represented by issued and outstanding voting stock of the Company. For the avoidance of doubt, a spinoff shall not be considered a fundamental transaction.

Subject to applicable laws, the warrants may be offered for sale, sold, transferred or assigned at the option of the holder upon surrender of the warrant to the Company together with the appropriate instruments of transfer. The holder of a Warrant does not have the rights or privileges of a holder of Common Stock, including any voting rights, until the holder exercises the warrant.

Prior to receipt of Shareholder Approval, the Warrants, when aggregated with the 2,800,000 shares of Common Stock issued in the Financing, shall not be exercisable into more than 19.99% of the number of shares of Common Stock outstanding as of the closing date. As a result, prior to Shareholder Approval, only 40,000 Warrant Shares may be issued. An additional 5,560,000 Warrant Shares may be issued following Shareholder Approval.

The Company has undertaken, pursuant to the subscription agreements, to file a registration statement to register the Shares and Warrant Shares within 30 days following the closing and to use its best efforts to have the registration statement declared effective 60 days from the filing date. The subscription agreements also provide the investors with a 50% right of participation in future securities offerings of the Company for a period of one year from the closing. The Company agreed not to issue new equity securities, subject to certain exceptions, without the approval of the lead investor for a period of five months from the closing and not to issue any securities pursuant to an at-the-market offering until the earlier of (i) the six month anniversary of the closing or (ii) such date as the closing price of the Common Stock is at least \$0.75 for five consecutive trading days and the registration statement has been declared effective.

The subscription agreements and warrants may be amended by the written consent of at least 60% of the investors or holders, as applicable, which approval shall include the approval of GRQ Consultants Inc. Roth 410K FBO Barry Honig, the "Lead Investor".

The foregoing descriptions of the subscription agreements and the warrants are not complete and are qualified in their entirety by reference to the full text of the Form of Subscription Agreement and the Form of Common Stock Purchase Warrant, copies of which are attached hereto as Appendix C and D, respectively.

#### **Required Vote**

Approval of the Proposal will require the affirmative vote of a majority of the votes cast; provided however, that pursuant to the listing rules of the NYSE MKT, none of the 2,800,000 Shares may be counted towards approval of the Proposal and may only be counted as present for purposes of determining a quorum. The investors, to the extent that they own Common Stock on the Record Date that was not issued in the Financing, may vote these shares of Common Stock in favor of the Proposal. Pursuant to voting agreements, Robert Ladd, the Chief Executive Officer, President and director, has agreed to vote 985,471 shares in favor of the Proposal and Joshua Silverman, a director, has agreed to vote 1,039,096 shares in favor of the Proposal.

#### **Reasons for the Recommendation**

The Company has considered various capital raising alternatives over the last year to raise capital needed to continue the Company's business. The Board considered the positive and negative consequences of all alternatives available to the Company, including the issuance of the Warrant Shares. The Board recommends that the shareholders approve the Proposal because such approval will (i) allow the Company to fulfil its obligations under the Financing, (ii) protect the Company from incurring the costs of soliciting the shareholders again for approval of the Proposal in three months (and every three months thereafter until Shareholder Approval is obtained) and (iii) allow the Company to, in certain circumstances, receive cash upon exercise of the warrants. The maximum amount of cash issuable upon exercise of the warrants following Shareholder Approval is \$1,400,000, up from \$10,000.

#### **Recommendation**

**THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE POTENTIAL ISSUANCE OF UP TO 5,560,000 SHARES OF COMMON STOCK UPON THE EXERCISE OF WARRANTS ISSUED TO INVESTORS IN THE FINANCING, IN EXCESS OF 19.99% OF THE NUMBER OF SHARES OF COMMON STOCK THAT WERE ISSUED AND OUTSTANDING ON OCTOBER 8, 2015**

B. Option Price. The exercise price per share for Common Stock subject to an Option shall be determined by the Committee, but shall comply with the following:

- (i) The exercise price per share for Common Stock subject to an Option shall not be less than one hundred percent (100%) of the Fair Market Price on the Date of Grant.
- (ii) The exercise price per share for Common Stock subject to an Incentive Stock Option granted to a Participant who is deemed to be a Ten Percent Owner on the date such option is granted, shall not be less than one hundred ten percent (110%) of the Fair Market Price on the Date of Grant.

C. Maximum Option Period. Unless a shorter period is provided by the Stock Option Agreement, the maximum period during which an Option may be exercised shall be seven (7) years from the Date of Grant of such Option. In the case of an Incentive Stock Option that is granted to a Participant who is or is deemed to be a Ten Percent Owner on the Date of Grant, such Option shall not be exercisable after the expiration of five (5) years from the Date of Grant.

D. Maximum Value of Options which are Incentive Stock Options. To the extent that the aggregate Fair Market Price of the Common Stock with respect to which Incentive Stock Options granted to any Participant are exercisable for the first time during any calendar year (under all stock option plans of the Corporation or any Parent or Subsidiary) exceeds \$100,000 (or such other amount provided in Section 422 of the Code), the Options shall not be deemed to be Incentive Stock Options. For purposes of this section, the Fair Market Price of the Common Stock will be determined as of the time the Incentive Stock Option with respect to the Common Stock is granted. This section will be applied by taking Incentive Stock Options into account in the order in which they are granted.

E. Nontransferability. Options granted under this Plan which are intended to be Incentive Stock Options shall be nontransferable except by will or by the laws of descent and distribution and during the lifetime of the Participant shall be exercisable by only the Participant to whom the Incentive Stock Option is granted. Except to the extent transferability of a Nonqualified Stock Option is provided for in the Stock Option Agreement or is approved by the Committee, during the lifetime of the Participant to whom the Nonqualified Stock Option is granted, such Option may be exercised only by the Participant. If the Stock Option Agreement so provides or the Committee so approves, a Nonqualified Stock Option may be transferred by a Participant through a gift or domestic relations order to the Participant's Family Members to the extent in compliance with applicable securities laws and regulations and provided that such transfer is not a transfer for value (within the meaning of applicable securities laws and regulations). The holder of a Nonqualified Stock Option transferred pursuant to this section shall be bound by the same terms and conditions that governed the Option during the period that it was held by the Participant. No right or interest of a Participant in any Option shall be liable for, or subject to, any lien, obligation, or liability of such Participant, unless such obligation is to the Corporation itself or to an Affiliate.

F. Vesting. Options will vest as provided in the Stock Option Agreement. The Stock Option Agreement shall provide for specific vesting provisions.

G. Termination. Options will terminate as provided in the Stock Option Agreement. The Stock Option Agreement shall provide for specific events of termination.

H. Exercise. Subject to the provisions of this Plan and the applicable Stock Option Agreement, an Option may be exercised to the extent vested in whole at any time or in part from time to time at such times and in compliance with such requirements as the Committee shall determine. A partial exercise of an Option shall not affect the right to exercise the Option from time to time in accordance with this Plan and the applicable Stock Option Agreement with respect to the remaining shares subject to the Option. The Participant may face certain restrictions on his/her/its ability to exercise Options and/or sell underlying shares when such Participant is potentially in possession of insider information. The Corporation will make the Participant aware of any formal insider trading policy it adopts, and the provisions of such insider trading policy (including any amendments thereto) shall be binding upon the Participant.

I. Payment. Unless otherwise provided by the Stock Option Agreement, payment of the exercise price for an Option shall be made in cash or a cash equivalent acceptable to the Committee or if the Common Stock is traded on an established securities market, by payment of the exercise price by a broker-dealer or by the Option holder with cash advanced by the broker-dealer if the exercise notice is accompanied by the Option holder's written irrevocable instructions to deliver the Common Stock acquired upon exercise of the Option to the broker-dealer or by delivery of the Common Stock to the broker-dealer with an irrevocable commitment by the broker-dealer to forward the exercise price to the Corporation. With the consent of the Committee, payment of all or a part of the exercise price of an Option may also be made (i) by surrender to the Corporation (or delivery to the Corporation of a properly executed form of attestation of ownership) of shares of Common Stock that have been held for such period prior to the date of exercise as is necessary to avoid adverse accounting treatment to the Corporation, or (ii) any other method acceptable to the Committee, including without limitation, the withholding of shares receivable upon settlement of the option in payment of the exercise price. If Common Stock is used to pay all or part of the exercise price, the sum of the cash or cash equivalent and the Fair Market Price (determined as of the date of exercise) of the shares surrendered must not be less than the Option price of the shares for which the Option is being exercised. The Committee may provide, in an Agreement or otherwise, that a Participant who exercises an Option and pays the Exercise Price in whole or in part with Common Stock then owned by the Participant will be entitled to receive another Option covering the same amount of shares tendered and with a price of no less than Fair Market Value on the date of grant of such additional Option (a "Reload Option"). Unless otherwise provided in the Agreement, a Participant, in order to be entitled to a Reload Option, must pay with Common Stock that has been owned for at least the preceding six (6) months.

J. Stockholder Rights. No Participant shall have any rights as a stockholder with respect to shares subject to an Option until the date of exercise of such Option and the certificate for shares of Common Stock to be received on exercise of such Option has been issued by the Corporation.

K. Disposition and Stock Certificate Legends for Incentive Stock Option Shares. A Participant shall notify the Corporation of any sale or other disposition of Common Stock acquired pursuant to an Incentive Stock Option if such sale or disposition occurs (i) within two years of the grant of an Option or (ii) within one year of the issuance of the Common Stock to the Participant. Such notice shall be in writing and directed to the Chief Financial Officer of the Corporation or in his/her absence, the Chief Executive Officer. The Corporation may require that certificates evidencing shares of Common Stock purchased upon the exercise of Incentive Stock Option issued under this Plan be endorsed with a legend in substantially the following form:

THE SHARES EVIDENCED BY THIS CERTIFICATE MAY NOT BE SOLD OR TRANSFERRED PRIOR TO \_\_\_\_, 20\_\_\_\_, IN THE ABSENCE OF A WRITTEN STATEMENT FROM THE CORPORATION TO THE EFFECT THAT THE CORPORATION IS AWARE OF THE FACTS OF SUCH SALE OR TRANSFER.

The blank contained in this legend shall be filled in with the date that is the later of (i) one year and one day after the date of the exercise of such Incentive Stock Option or (ii) two years and one day after the grant of such Incentive Stock Option.

L. No Repricing. In no event shall the Committee permit a Repricing of any Option without the approval of the stockholders of the Corporation.

## **7. Stock Awards**

A. Stock Bonus Awards. Stock Bonus Awards shall be granted by the Committee upon the recommendation of the Corporation's management. Each Stock Award Agreement for a Stock Bonus Award shall be in such form and shall contain such terms and conditions (including provisions relating to consideration, vesting, reacquisition of shares following termination, and transferability of shares) as the Committee shall deem appropriate. The terms and conditions of Stock Award Agreements for Stock Bonus Awards may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Stock Bonus Awards need not be identical.

B. Restricted Stock Awards. Restricted Stock Awards shall be granted by the Committee upon the recommendation of the Corporation's management. Each Stock Award Agreement for a Restricted Stock Award shall be in such form and shall contain such terms and conditions (including provisions relating to purchase price, consideration, vesting, reacquisition of shares following termination, and transferability of shares) as the Committee shall deem appropriate. The terms and conditions of the Stock Award Agreements for Restricted Stock Awards may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Restricted Stock Awards need not be identical. Vesting of any grant of Restricted Stock Awards may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 8 of this Plan regarding Performance Shares.

C. **Stock Appreciation Rights.** Stock Awards for Stock Appreciation Rights shall be granted by the Committee upon the recommendation of the Corporation's management. Each Stock Award Agreement for Stock Appreciation Rights shall be in such form and shall contain such terms and conditions (including provisions relating to vesting, reacquisition of shares following termination, and transferability of shares) as the Committee shall deem appropriate. The terms and conditions of Stock Award Agreements for Stock Appreciation Rights may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Stock Appreciation Rights need not be identical. No Stock Appreciation Right shall be exercisable after the expiration of seven (7) years from the date such Stock Appreciation Right is granted. The base price per share for each share of Common Stock covered by an award of Stock Appreciation Rights shall not be less than one hundred percent (100%) of the Fair Market Price of a share of Common Stock on the date of grant. In no event shall the Committee permit a Repricing of any Stock Appreciation Right without the approval of the stockholders of the Corporation. The Participant shall not have any rights as a stockholder with respect to the shares of Common Stock covered by an award of Stock Appreciation Rights and shall not have any right to vote such shares until the exercise of the Stock Appreciation Right. If the payment made to reflect the increase in Fair Market Price is made in shares of Common Stock then the Participant will have all rights as a stockholder with respect to such shares.

D. **Deferred Shares.** The Committee may authorize grants of Deferred Shares to Participants upon the recommendation of the Corporation's management, and upon such terms and conditions as the Committee may determine in accordance with the following provisions:

- (i) Each grant shall constitute the agreement by the Corporation to issue or transfer shares of Common Stock to the Participant in the future in consideration of the performance of services, subject to the fulfillment during the Deferral Period of such conditions as the Committee may specify.
- (ii) Each grant may be made without additional consideration from the Participant or in consideration of a payment by the Participant that is less than the Fair Market Price on the date of grant.
- (iii) Each grant shall provide that the Deferred Shares covered thereby shall be subject to a Deferral Period, which shall be fixed by the Committee on the date of grant, and any grant or sale may provide for the earlier termination of such period in the event of a change in control of the Corporation or other similar transaction or event.
- (iv) During the Deferral Period, the Participant shall not have any right to transfer any rights under the subject Award, shall not have any rights of ownership in the Deferred Shares and shall not have any right to vote such shares, but the Committee may on or after the date of grant, authorize the payment of dividend or other distribution equivalents on such shares in cash or additional shares on a current, deferred or contingent basis.
- (v) Any grant, or the vesting thereof, may be further conditioned upon the attainment of Performance Objectives established by the Committee in accordance with the applicable provisions of Section 8 of this Plan regarding Performance Shares.
- (vi) Each grant shall be evidenced by an agreement delivered to and accepted by the Participant and containing such terms and provisions as the Committee may determine consistent with this Plan. The terms and conditions of the agreements for Deferred Shares may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Deferred Shares need not be identical.

## **8. Performance Shares**

A. The Committee may authorize grants of Performance Shares upon the recommendation of the Corporation's management, which shall become payable to the Participant upon the achievement of specified Performance Objectives, upon such terms and conditions as the Committee may determine in accordance with the following provisions:

- (i) Each grant shall specify the number of Performance Shares to which it pertains, which may be subject to adjustment to reflect changes in compensation or other factors.
- (ii) The Performance Period with respect to each Performance Share shall commence on the date established by the Committee and may be subject to earlier termination in the event of a change in control of the Corporation or similar transaction or event.
- (iii) Each grant shall specify the Performance Objectives that are to be achieved by the Participant.
- (iv) Each grant may specify in respect of the specified Performance Objectives a minimum acceptable level of achievement below which no payment will be made and may set forth a formula for determining the amount of any payment to be made if performance is at or above such minimum acceptable level but falls short of the maximum achievement of the specified Performance Objectives.
- (v) Each grant shall specify the time and manner of payment of Performance Shares that shall have been earned, and any grant may specify that any such amount may be paid by the Corporation in cash, shares of Common Stock or any combination thereof and may either grant to the Participant or reserve to the Committee the right to elect among those alternatives.
- (vi) Any grant of Performance Shares may specify that the amount payable with respect thereto may not exceed a maximum specified by the Committee on the date of grant.

(vii) Any grant of Performance Shares may provide for the payment to the Participant of dividend or other distribution equivalents thereon in cash or additional shares of Common Stock on a current, deferred or contingent basis.

(viii) If provided in the terms of the grant and subject to the requirements of Section 162(m) of the Code (in the case of awards intended to qualify for exception therefrom), the Committee may adjust Performance Objectives and the related minimum acceptable level of achievement if, in the sole judgment of the Committee, events or transactions have occurred after the date of grant that are unrelated to the performance of the Participant and result in distortion of the Performance Objectives or the related minimum acceptable level of achievement.

(ix) Each grant shall be evidenced by an agreement that shall be delivered to and accepted by the Participant, which shall state that the Performance Shares are subject to all of the terms and conditions of this Plan and such other terms and provisions as the Committee may determine consistent with this Plan. The terms and conditions of the agreements for Performance Shares may change from time to time and need not be uniform with respect to Participants, and the terms and conditions of separate Performance Shares need not be identical.

(x) Until the achievement of the Performance Objectives and the resulting issuance of the Performance Shares, the Participant shall not have any rights as a stockholder in the Performance Shares and shall not have any right to vote such shares, but the Committee may on or after the date of grant, authorize the payment of dividend or other distribution equivalents on such shares in cash or additional shares on a current, deferred or contingent basis.

## **9. Changes in Capital Structure**

A. No Limitations of Rights. The existence of outstanding Awards shall not affect in any way the right or power of the Corporation or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Corporation's capital structure or its business, or any merger or consolidation of the Corporation, or any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock or the rights thereof, or the dissolution or liquidation of the Corporation, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

B. Changes in Capitalization. If the Corporation shall effect a subdivision or consolidation of shares or other capital readjustment, the payment of a stock dividend, or other increase or reduction of the number of shares of the Common Stock outstanding, without receiving consideration therefore in money, services or property, then (i) the number, class, and per share price of shares of Common Stock subject to outstanding Options and other Awards hereunder and (ii) the number and class of shares then reserved for issuance under this Plan and the maximum number of shares for which Awards may be granted to a Participant during a specified time period shall be appropriately and proportionately adjusted. The conversion of convertible securities of the Corporation shall not be treated as effected "without receiving consideration." The Committee shall make such adjustments, and its determinations shall be final, binding and conclusive.

C. Merger, Consolidation or Asset Sale. If the Corporation is merged or consolidated with another entity or sells or otherwise disposes of substantially all of its assets to another entity while Options or Stock Awards remain outstanding under this Plan, unless provisions are made in connection with such transaction for the continuance of this Plan and/or the assumption or substitution of such Options or Stock Awards with new options or stock awards covering the stock of the successor entity, or parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices, then all outstanding Options and Stock Awards which have not been continued, assumed or for which a substituted award has not been granted shall, whether or not vested or then exercisable, unless otherwise specified in the Stock Option Agreement or Stock Award Agreement, terminate immediately as of the effective date of any such merger, consolidation or sale.

D. Limitation on Adjustment. Except as previously expressly provided, neither the issuance by the Corporation of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services either upon direct sale or upon the exercise of rights or warrants to subscribe therefore, or upon conversion of shares or obligations of the Corporation convertible into such shares or other securities, nor the increase or decrease of the number of authorized shares of stock, nor the addition or deletion of classes of stock, shall affect, and no adjustment by reason thereof shall be made with respect to, the number, class or price of shares of Common Stock then subject to outstanding Options or Stock Awards.

## **10. Withholding of Taxes**

The Corporation or an Affiliate (including through its brokers or agents) shall have the right, before any certificate for any Common Stock is delivered, to deduct or withhold from any payment owed to a Participant any amount that is necessary in order to satisfy any withholding requirement that the Corporation or Affiliate in good faith believes is imposed upon it in connection with U.S. (or any other country's) federal, state, or local taxes, including transfer taxes, as a result of the issuance of, or lapse of restrictions on, such Common Stock, or otherwise require such Participant to make provision for payment of any such withholding amount. Subject to such conditions as may be established by the Committee, the Committee may permit a Participant to (i) have Common Stock otherwise issuable under an Option or Stock Award withheld to the extent necessary to comply with minimum statutory withholding rate requirements, (ii) tender back to the Corporation shares of Common Stock received pursuant to an Option or Stock Award to the extent necessary to comply with minimum statutory withholding rate requirements for supplemental income, (iii) deliver to the Corporation previously acquired Common Stock, (iv) have funds withheld from payments of wages, salary, fee or other cash compensation due the Participant, (v) pay the Corporation or its Affiliate in cash, in order to satisfy part or all of the obligations for any taxes required to be withheld or otherwise deducted and paid by the Corporation or its Affiliate with respect to the Option or Stock Award; or (vi) establish a 10b5-1 trading plan for withheld stock designed to facilitate the sale of stock in connection with the vesting of such shares, the proceeds of which shall be utilized to make all applicable withholding payments in a manner to be coordinated by the Corporation's Chief Financial Officer.

## 11. Compliance with Law and Approval of Regulatory Bodies

A. General Requirements. No Option or Stock Award shall be exercisable, no Common Stock shall be issued, no certificates for shares of Common Stock shall be delivered, and no payment shall be made under this Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements), any listing agreement to which the Corporation is a party, and the rules of all domestic stock exchanges or quotation systems on which the Corporation's shares may be listed, including but not limited to the American Stock Exchange and the Tel Aviv Stock Exchange. The Corporation shall have the right to rely on an opinion of its counsel as to such compliance. In the absence of an effective and current registration statement on an appropriate form under the Securities Act, or a specific exemption from the registration requirements of the Securities Act, shares of Common Stock issued under this Plan shall be restricted shares. Any share certificate issued to evidence Common Stock when a Stock Award is granted or for which an Option is exercised may bear such restrictive legends and statements as the Committee may deem advisable to assure compliance with federal and state laws and regulations. No Option or Stock Award shall be exercisable, no Stock Award shall be granted, no Common Stock shall be issued, no certificate for shares shall be delivered, and no payment shall be made under this Plan until the Corporation has obtained such consent or approval as the Committee may deem advisable from regulatory bodies having jurisdiction over such matters.

B. Participant Representations. The Committee may require that a Participant, as a condition to receipt or exercise of a particular award, execute and deliver to the Corporation a written statement, in form satisfactory to the Committee, in which the Participant represents and warrants that the shares are being acquired for such Participant's own account, for investment only and not with a view to the resale or distribution thereof. The Participant shall, at the request of the Committee, be required to represent and warrant in writing that any subsequent resale or distribution of shares of Common Stock by the Participant shall be made only pursuant to either (i) a registration statement on an appropriate form under the Securities Act, which registration statement has become effective and is current with regard to the shares being sold, or (ii) a specific exemption from the registration requirements of the Securities Act, but in claiming such exemption the Participant shall, prior to any offer of sale or sale of such shares, obtain a prior favorable written opinion of counsel, in form and substance satisfactory to counsel for the Corporation, as to the application of such exemption thereto.

## 12. General Provisions

A. Effect on Employment and Service. Neither the adoption of this Plan, its operation, nor any documents describing or referring to this Plan (or any part thereof) shall (i) confer upon any individual any right to continue in the employ or service of the Corporation or an Affiliate, (ii) in any way affect any right and power of the Corporation or an Affiliate to change an individual's duties or terminate the employment or service of any individual at any time with or without assigning a reason therefore or (iii) except to the extent the Committee grants an Option or Stock Award to such individual, confer on any individual the right to participate in the benefits of this Plan.

B. Use of Proceeds. The proceeds received by the Corporation from the sale of Common Stock pursuant to this Plan shall be used for working capital and/or investment in equipment and/or acquisitions and/or business development.

C. Unfunded Plan. This Plan, insofar as it provides for grants, shall be unfunded, and the Corporation shall not be required to segregate any assets that may at any time be represented by grants under this Plan. Any liability of the Corporation to any Participant with respect to any grant under this Plan shall be based solely upon any contractual obligations that may be created pursuant to this Plan. No such obligation of the Corporation shall be deemed to be secured by any pledge of, or other encumbrance on, any property of the Corporation.

D. Rules of Construction. Headings are given to the Sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation, or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

E. Choice of Law. This Plan and all Stock Option Agreements, Stock Award Agreements, and Performance Agreements (or any other agreements) entered into under this Plan shall be interpreted under the Corporation Law excluding (to the greatest extent permissible by law) any rule of law that would cause the application of the laws of any jurisdiction other than the Corporation Law.

F. Fractional Shares. The Corporation shall not be required to issue fractional shares pursuant to this Plan. The Committee may provide for elimination of fractional shares or the settlement of such fraction shares in cash.

G. Foreign Employees. In order to facilitate the making of any grant or combination of grants under this Plan, the Committee may provide for such special terms for Awards to Participants who are foreign nationals, or who are employed by the Corporation or any Affiliate outside of the United States, as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Committee may approve such supplements to, or amendments, restatements or alternative versions of, this Plan as it may consider necessary or appropriate for such purposes without thereby affecting the terms of this Plan, as then in effect, unless this Plan could have been amended to eliminate such inconsistency without further approval by the stockholders of the Corporation.

### **13. Amendment and Termination**

The Committee may amend or terminate this Plan from time to time; provided, however, that stockholder approval shall be required for any amendment that (i) increases the aggregate number of shares of Common Stock that may be issued under this Plan, except as contemplated by Section 5.A or Section 9.B; (ii) changes the class of Participants eligible to receive Incentive Stock Options; (iii) modifies the restrictions on Repricings set forth in this Plan; or (iv) is required by the terms of any applicable law, regulation or rule, including the rules of any market on which the Corporation shares are traded or exchange on which the Corporation shares are listed. Except as specifically permitted by this Plan, Stock Option Agreement or Stock Award Agreement or as required to comply with applicable law, regulation or rule, no amendment shall, without a Participant's consent, adversely affect any rights of such Participant under any Option or Stock Award outstanding at the time such amendment is made; provided, however, that an amendment that may cause an Incentive Stock Option to become a Nonqualified Stock Option shall not be treated as adversely affecting the rights of the Participant. Any amendment requiring stockholder approval shall be approved by the stockholders of the Corporation within twelve (12) months of the date such amendment is adopted by the Committee.

### **14. Effective Date of Plan; Duration of Plan**

A. This Plan shall be effective upon adoption by the Board, subject to approval within twelve (12) months by the stockholders of the Corporation. Unless and until this Plan has been approved by the stockholders of the Corporation, no Option or Stock Award may be exercised, and no shares of Common Stock may be issued under this Plan. In the event that the stockholders of the Corporation shall not approve this Plan within such twelve (12) month period, this Plan and any previously granted Options or Stock Awards shall terminate.

B. Unless previously terminated, this Plan will terminate ten (10) years after the date this Plan is adopted by the Board, except that Awards that are granted under this Plan prior to its termination will continue to be administered under the terms of this Plan until the Awards terminate, expire or are exercised.

**IN WITNESS WHEREOF** , the Corporation has caused this Plan to be executed by a duly authorized officer as of the date of adoption of this Plan by the Board.

(b) Purchase of Units. The Subscriber understands and acknowledges that the purchase price to be remitted to the Company in exchange for the Units shall be set at \$0.25 per Unit, for an aggregate purchase price as set forth on page 23 hereof (the "Aggregate Purchase Price"), which shall be equivalent to \$0.25 per Share, exclusive of the value of the Warrants. The Subscriber's delivery of this Agreement to the Company shall be accompanied by payment for the Units subscribed for hereunder, payable in United States Dollars, by wire transfer of immediately available funds delivered to the Company in accordance with the wire instructions set forth on Exhibit B attached hereto. The Subscriber understands and agrees that, subject to Section 2 and applicable laws, by executing this Agreement, it is entering into a binding agreement.

## 2. ACCEPTANCE, OFFERING TERM AND CLOSING PROCEDURES

(a) Acceptance. Subject to full, faithful and punctual performance and discharge by the Company of all of its duties, obligations and responsibilities as set forth in this Agreement, the Warrant and any other agreement entered into between the Subscriber and the Company relating to this subscription (collectively, the "Transaction Documents") to be performed or discharged on or prior to the Closing in which such Subscriber participates, the Subscriber shall be legally bound to purchase the Units pursuant to the terms and conditions set forth in this Agreement. In the event the Closing does not take place because of (i) the election not to purchase the Units by the Subscriber or (ii) the failure to effectuate the Initial Closing (as defined below) on or prior to October 9, 2015 (unless extended in the discretion of the Board of Directors) for any reason or no reason, this Agreement and any other Transaction Documents shall thereafter be terminated and have no force or effect, and the parties shall take all steps, including the execution of instructions to the Company, to ensure that the Aggregate Purchase Price shall promptly be returned or caused to be returned to the Subscriber without interest thereon or deduction therefrom.

(b) Closing. The closing of the purchase and sale of the Units hereunder (the "Closing") shall take place at such time and place as determined by the Company and may take place in one of more closings. Closings shall take place on a Business Day promptly following the satisfaction of the conditions set forth in Section 6 below, as determined by the Company (the "Closing Date"). "Business Day" shall mean from the hours of 9:00 a.m. (Eastern Time) through 5:00 p.m. (Eastern Time) of a day other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required to be closed. The Units purchased by the Subscriber will be delivered by the Company promptly following the Final Closing Date (as defined herein) of the Offering. The initial closing shall be referred to as the "Initial Closing" and may be held upon receipt and acceptance of subscriptions equal to at least the Minimum Offering Amount prior to October 9, 2015. The date of the Initial Closing is sometimes referred to as the "Initial Closing Date." Subsequent closings (each a "Subsequent Closing") will be held until the earlier to occur of: (i) termination of the Offering by the Company, and (ii) October 9, 2015 (the "Final Closing" and such date of the Final Closing, the "Final Closing Date"), without additional notice to Subscribers. Officers, directors and affiliates of the Company and the placement agents, if any, may purchase Units in the Offering.

(c) Following Acceptance or Rejection. The Subscriber acknowledges and agrees that this Agreement and any other documents delivered in connection herewith will be held by the Company. Prior to the Company's execution, in the event that this Agreement is not accepted by the Company for whatever reason, which the Company expressly reserves the right to do, this Agreement, the Aggregate Purchase Price received (without interest thereon) and any other documents delivered in connection herewith will be returned to the Subscriber at the address of the Subscriber as set forth in this Agreement. If this Agreement is accepted by the Company, the Company is entitled to treat the Aggregate Purchase Price received as an interest free loan to the Company until such time as the Subscription is accepted.

(d) Reserved.

(e) Extraordinary Events Regarding Common Stock. In the event that the Company shall (a) issue additional shares of Common Stock as a dividend or other distribution on outstanding Common Stock, (b) subdivide its outstanding shares of Common Stock, or (c) combine its outstanding shares of the Common Stock into a smaller number of shares of Common Stock, then, in each such event, the Purchase Price shall, simultaneously with the happening of such event, be adjusted by multiplying the then Purchase Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event, and the product so obtained shall thereafter be the Purchase Price then in effect. The Purchase Price, as so adjusted, shall be readjusted in the same manner upon the happening of any successive event or events described herein. The number of Units that the Subscriber shall thereafter be entitled to receive (including number of shares of Warrant Shares the Subscriber may thereafter be entitled to receive upon exercise of the Warrants) shall be adjusted to a number determined by multiplying the number of shares of Common Stock that would otherwise (but for the provisions of this Section) be issuable on such conversion or exercise by a fraction of which (a) the numerator is the Purchase Price that would otherwise (but for the provisions of this Section) be in effect, and (b) the denominator is the Purchase Price then in effect.

(f) Certificate as to Adjustments. In each case of any adjustment or readjustment in (i) the Shares, (ii) the the number of Warrant Shares issuable upon the exercise of the Warrants, or (iii) the exercise price of the Warrants, the Company, at its expense, will promptly cause its Chief Financial Officer or other appropriate designee to compute such adjustment or readjustment in accordance with the terms hereof and of the Warrant, and prepare a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company will forthwith mail a copy of each such certificate to the Subscriber. To the extent any such certificate contains material non-public information, the Company shall, no later than the first Business Day after the date of delivery of such certificate to the Subscriber, include such material non-public information in a Current Report on Form 8-K filed with the United States Securities and Exchange Commission (the “SEC”). From and after the filing of such Form 8-K, the Company shall have disclosed all material non-public information (if any) delivered to the Subscriber by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents in connection with the transactions described in such certificate.

### 3. THE SUBSCRIBER’S REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Subscriber, severally and not jointly, hereby acknowledges, agrees with and represents, warrants and covenants to the Company, as follows:

(a) The Subscriber has full power and authority to enter into this Agreement, the execution and delivery of which has been duly authorized, if applicable, and this Agreement constitutes a valid and legally binding obligation of the Subscriber, except as may be limited by bankruptcy, reorganization, insolvency, moratorium and similar laws of general application relating to or affecting the enforcement of rights of creditors, and except as enforceability of the obligations hereunder are subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or law).

(b) The Subscriber acknowledges its understanding that the Offering and sale of the Securities is intended to be exempt from registration under the Securities Act, by virtue of Section 4(a)(2) of the Securities Act and the provisions of Regulation D promulgated thereunder (“Regulation D”). In furtherance thereof, the Subscriber represents and warrants to the Company and its affiliates as follows:

(i) The Subscriber realizes that the basis for the exemption from registration may not be available if, notwithstanding the Subscriber’s representations contained herein, the Subscriber is merely acquiring the Securities for a fixed or determinable period in the future, or for a market rise, or for sale if the market does not rise. The Subscriber does not have any such intention.

(ii) The Subscriber realizes that the basis for exemption would not be available if the Offering is part of a plan or scheme to evade registration provisions of the Securities Act or any applicable state or federal securities laws, except sales pursuant to a registration statement or sales that are exempted under the Securities Act.

(iii) The Subscriber is acquiring the Securities solely for the Subscriber's own beneficial account, for investment purposes, and not with a view towards, or resale in connection with, any distribution of the Securities.

(iv) The Subscriber has the financial ability to bear the economic risk of the Subscriber's investment, has adequate means for providing for its current needs and contingencies, and has no need for liquidity with respect to an investment in the Company.

(v) The Subscriber and the Subscriber's attorney, accountant, purchaser representative and/or tax advisor, if any (collectively, the "Advisors") has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of a prospective investment in the Securities. If other than an individual, the Subscriber also represents it has not been organized solely for the purpose of acquiring the Securities.

(vi) The Subscriber (together with its Advisors, if any) has received all documents requested by the Subscriber, if any, and has carefully reviewed them and understands the information contained therein, prior to the execution of this Agreement.

(c) The Subscriber is not relying on the Company or any of its employees, agents, sub-agents or advisors with respect to the legal, tax, economic and related considerations involved in this investment. The Subscriber has relied on the advice of, or has consulted with, only its Advisors. Each Advisor, if any, has disclosed to the Subscriber in writing (a copy of which is annexed to this Agreement) the specific details of any and all past, present or future relationships, actual or contemplated, between the Advisor and the Company or any affiliate or sub-agent thereof.

(d) The Subscriber has carefully considered the potential risks relating to the Company and a purchase of the Securities, and fully understands that the Securities are a speculative investment that involves a high degree of risk of loss of the Subscriber's entire investment. Among other things, the Subscriber has carefully considered each of the risks described under the heading "*Risk Factors*" and "*Forward Looking Statements*" in the Company's SEC Filings (as defined below) and any additional disclosures in the nature of Risk Factors described herein.

(e) The Subscriber will not sell or otherwise transfer any Securities without registration under the Securities Act or an exemption therefrom, and fully understands and agrees that the Subscriber must bear the economic risk of its purchase because, among other reasons, the Securities have not been registered under the Securities Act or under the securities laws of any state and, therefore, cannot be resold, pledged, assigned or otherwise disposed of unless they are subsequently registered under the Securities Act and under the applicable securities laws of such states, or an exemption from such registration is available. In particular, the Subscriber is aware that the Securities are "restricted securities," as such term is defined in Rule 144 promulgated under the Securities Act ("Rule 144"), and they may not be sold pursuant to Rule 144 unless all of the conditions of Rule 144 are met. The Subscriber also understands that the Company is under no obligation to assist the Subscriber in complying with any exemption from registration under the Securities Act or applicable state securities laws. The Subscriber understands that any sales or transfers of the Securities are further restricted by state securities laws and the provisions of this Agreement.

(f) No oral or written representations or warranties have been made, or information furnished, to the Subscriber or its Advisors, if any, by the Company or any of its officers, employees, agents, sub-agents, affiliates, advisors or subsidiaries in connection with the Offering, other than any representations of the Company contained herein, and in subscribing for the Units the Subscriber is not relying upon any representations other than those contained herein.

(g) The Subscriber's overall commitment to investments that are not readily marketable is not disproportionate to the Subscriber's net worth, and an investment in the Securities will not cause such overall commitment to become excessive.

(h) The Subscriber understands and agrees that the certificates for the Securities shall bear substantially the following legend:

“[NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE EXERCISABLE HAVE BEEN][THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN] REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL TO THE HOLDER (IF REQUESTED BY THE COMPANY), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD OR ELIGIBLE TO BE SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

(i) Certificates evidencing Securities shall not be required to contain the legend set forth in Section 3(h) above or any other legend (i) while a registration statement covering the resale of such Securities is effective under the Securities Act, (ii) following any sale of such Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (iii) if such Securities are eligible to be sold, assigned or transferred under Rule 144 and the Subscriber is not an affiliate of the Company (provided that the Subscriber provides the Company with reasonable assurances that such Securities are eligible for sale, assignment or transfer under Rule 144 which shall not include an opinion of the Subscriber’s counsel), (iv) in connection with a sale, assignment or other transfer (other than under Rule 144), provided that the Subscriber provides the Company with an opinion of counsel (at the expense of the Company), in a form generally acceptable to the Company, to the effect that such sale, assignment or transfer of the Securities may be made without registration under the applicable requirements of the Securities Act or (v) if such legend is not required under applicable requirements of the Securities Act (including, without limitation, controlling judicial interpretations and pronouncements issued by the SEC). If a legend is not required pursuant to the foregoing, the Company shall no later than three (3) business days following the delivery by the Subscriber to the Company or the transfer agent (with notice to the Company) of a legended certificate representing such Securities (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), together with any other deliveries from the Subscriber as may be required above in this Section 3(i), as directed by the Subscriber, either: (A) provided that the Company’s transfer agent is participating in the DTC Fast Automated Securities Transfer Program and such Securities are Shares or Warrant Shares, credit the aggregate number of shares of Common Stock to which the Subscriber shall be entitled to the Subscriber’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Company’s transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver (via reputable overnight courier) to the Subscriber, a certificate representing such Securities that is free from all restrictive and other legends, registered in the name of the Subscriber or its designee. The Company shall be responsible for any transfer agent fees or DTC fees with respect to any issuance of Securities or the removal of any legends with respect to any Securities in accordance herewith.

(j) Neither the SEC nor any state securities commission has approved the Securities or passed upon or endorsed the merits of the Offering. There is no government or other insurance covering any of the Securities.

(k) The Subscriber and its Advisors, if any, have had a reasonable opportunity to ask questions of and receive answers from a person or persons acting on behalf of the Company concerning the Offering and the business, financial condition, results of operations and prospects of the Company, and all such questions have been answered to the full satisfaction of the Subscriber and its Advisors, if any.

(l) (i) In making the decision to invest in the Securities the Subscriber has relied solely upon the information provided by the Company in the Transaction Documents. To the extent necessary, the Subscriber has retained, at its own expense, and relied upon appropriate professional advice regarding the investment, tax and legal merits and consequences of this Agreement and the purchase of the Securities hereunder. The Subscriber disclaims reliance on any statements made or information provided by any person or entity in the course of Subscriber's consideration of an investment in the Securities other than the Transaction Documents.

(ii) The Subscriber represents and warrants that: (i) the Subscriber was contacted regarding the sale of the Securities by the Company (or an authorized agent or representative thereof) with whom the Subscriber had a prior substantial pre-existing relationship and (ii) no Securities were offered or sold to it by means of any form of general solicitation or general advertising, and in connection therewith, the Subscriber did not (A) receive or review any advertisement, article, notice or other communication published in a newspaper or magazine or similar media or broadcast over television or radio, whether closed circuit, or generally available; or (B) attend any seminar meeting or industry investor conference whose attendees were invited by any general solicitation or general advertising; or (C) observe any website or filing of the Company with the SEC in which any offering of securities by the Company was described and as a result learned of any offering of securities by the Company.

(m) The Subscriber has taken no action that would give rise to any claim by any person for brokerage commissions, finders' fees or the like relating to this Agreement or the transactions contemplated hereby.

(n) The Subscriber is not relying on the Company or any of its employees, agents, or advisors with respect to the legal, tax, economic and related considerations of an investment in the Securities, and the Subscriber has relied on the advice of, or has consulted with, only its own Advisors.

(o) The Subscriber acknowledges that any estimates or forward-looking statements or projections furnished by the Company to the Subscriber were prepared by the management of the Company in good faith, but that the attainment of any such projections, estimates or forward-looking statements cannot be guaranteed by the Company or its management and should not be relied upon.

(p) No oral or written representations have been made, or oral or written information furnished, to the Subscriber or its Advisors, if any, in connection with the Offering that are in any way inconsistent with the information contained herein.

(q) (For ERISA plans only) The fiduciary of the ERISA plan (the "Plan") represents that such fiduciary has been informed of and understands the Company's investment objectives, policies and strategies, and that the decision to invest "plan assets" (as such term is defined in ERISA) in the Company is consistent with the provisions of ERISA that require diversification of plan assets and impose other fiduciary responsibilities. The Subscriber or Plan fiduciary (i) is responsible for the decision to invest in the Company; (ii) is independent of the Company and any of its affiliates; (iii) is qualified to make such investment decision; and (iv) in making such decision, the Subscriber or Plan fiduciary has not relied primarily on any advice or recommendation of the Company or any of its affiliates.

(r) This Agreement is not enforceable by the Subscriber unless it has been accepted by the Company, and the Subscriber acknowledges and agrees that the Company reserves the right to reject any subscription for any reason.

(s) The Subscriber is an "Accredited Investor" as defined in Rule 501(a) under the Securities Act. In general, an "Accredited Investor" is deemed to be an institution with assets in excess of \$5,000,000 or individuals with a net worth in excess of \$1,000,000 (excluding such person's residence) or annual income exceeding \$200,000 or \$300,000 jointly with his or her spouse.

(t) The Subscriber, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the Offering, and has so evaluated the merits and risks of such investment. The Subscriber has not authorized any person or entity to act as its Purchaser Representative (as that term is defined in Regulation D of the General Rules and Regulations under the Securities Act) in connection with the Offering. The Subscriber is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

The Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of the Transaction Documents, other than: (i) approval of the issuance of the securities by the NYSE MKT (“NYSE MKT Approval”), (ii) the filing of Form D with the SEC and such filings as are required to be made under applicable state securities laws, (iii) obtaining Shareholder Approval or (iv) as set forth on Schedule 4(d) (collectively, the “Required Approvals”).

The Company has made available to each Subscriber through the EDGAR system true and complete copies of the Company’s filings for the prior two full fiscal years plus any interim period (collectively, the “SEC Filings”), and all such SEC Filings are incorporated herein by reference. The SEC Filings, when they were filed with the SEC (or, if any amendment with respect to any such document was filed, when such amendment was filed), complied in all material respects with the applicable requirements of the Exchange Act and the rules and regulations thereunder and did not, as of such date, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Company further acknowledges that Subscriber is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereby and any advice given by any Subscriber or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereby is merely incidental to such Subscriber’s purchase of the Securities. The Company further represents to each Subscriber that the Company’s decision to enter into this Agreement has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

Except as set forth in Schedule 4 (h), the Company has not issued any capital stock since its most recently filed periodic report under the Exchange Act. Except as set forth on Schedule 4 (h), the issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Subscribers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities. All of the outstanding shares of capital stock of the Company are duly authorized, validly issued, fully paid and nonassessable, have been issued in material compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. Except for NYSE MKT Approval, no further approval or authorization of any stockholder, the Board of Directors or others is required for the issuance and sale of the Securities. Except as set forth on Schedule 4(h), there are no stockholders agreements, voting agreements or other similar agreements with respect to the Company’s capital stock to which the Company is a party or, to the knowledge of the Company, between or among any of the Company’s stockholders .

(j) Investment Company. The Company is not, and is not an affiliate of, and immediately after receipt of payment for the Units will not be or be an affiliate of, an "investment company" within the meaning of the Investment Company Act of 1940, as amended. The Company shall conduct its business in a manner so that it will not become subject to the Investment Company Act.

(k) Reporting Company/Shell Company Status. The Company is a publicly-held company subject to reporting obligations pursuant to Sections 12(g) and 13 of the Exchange Act. Pursuant to the provisions of the Exchange Act, the Company has timely filed all reports and other materials required to be filed by the Company thereunder with the SEC during the preceding twelve months. The Company, as of the Closing Date, is not a "shell company", as that term is employed in Rule 144 under the Securities Act. Except as set forth on Schedule 4(k), the Company is in full compliance with the continued listing standards of NYSE MKT, and has no reason to believe that it will not in the foreseeable future continue to be in compliance with all such listing and maintenance requirements.

(l) Litigation. Except as set forth on Schedule 4 (l), there is no action, suit, proceeding, inquiry or investigation before or by the Trading Market, any court, public board, other Governmental Entity, self-regulatory organization or body pending or, to the knowledge of the Company, threatened against or affecting the Company or any of its Subsidiaries, the Common Stock or any of the Company's or its Subsidiaries' officers or directors which is outside of the ordinary course of business or individually or in the aggregate material to the Company or any of its Subsidiaries. No director, officer or employee of the Company or any of its Subsidiaries has willfully violated 18 U.S.C. §1519 or engaged in spoliation in reasonable anticipation of litigation. Without limitation of the foregoing, there has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC involving the Company, any of its Subsidiaries or any current or former director or officer of the Company or any of its Subsidiaries. The SEC has not issued any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Securities Act or the Exchange Act. "Governmental Entity" means any nation, state, county, city, town, village, district, or other political jurisdiction of any nature, federal, state, local, municipal, foreign, or other government, governmental or quasi-governmental authority of any nature (including any governmental agency, branch, department, official, or entity and any court or other tribunal), multi-national organization or body; or body exercising, or entitled to exercise, any administrative, executive, judicial, legislative, police, regulatory, or taxing authority or power of any nature or instrumentality of any of the foregoing, including any entity or enterprise owned or controlled by a government or a public international organization or any of the foregoing. (m) Employee Relations. Neither the Company nor any of its Subsidiaries is a party to any collective bargaining agreement or employs any member of a union. The Company believes that its and its Subsidiaries' relations with their respective employees are good. The Company and its Subsidiaries are in compliance with all federal, state, local and foreign laws and regulations respecting labor, employment and employment practices and benefits, terms and conditions of employment and wages and hours, except as disclosed in Schedule 4(m) or where failure to be in compliance would not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(n) Tax Status. The Company and each of its Subsidiaries (i) has timely made or filed all foreign, federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject, (ii) has timely paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (iii) has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company and its Subsidiaries know of no basis for any such claim. The Company is not operated in such a manner as to qualify as a passive foreign investment company, as defined in Section 1297 of the U.S. Internal Revenue Code of 1986, as amended.

(o) Indebtedness and Other Contracts. Notwithstanding the foregoing, the Lead Investor shall have no right of participation with respect to any offering of securities incrementally at market prices on the Principal Market, where a broker-dealer, acting as the Company’s agent, can continuously change the amount and manner of sales depending on market conditions and instructions from the Company (an “ATM Offering”).

Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company covenants and agrees that neither it, nor any other Person acting on its behalf will provide any Subscriber or its agents or counsel with any information that the Company believes constitutes material non-public information, and each Subscriber agrees, and shall direct its agents and counsel not to, request any material non-public information from the Company or any Person acting on its behalf, unless prior thereto such Purchaser shall have executed a written agreement with the Company regarding the confidentiality and use of such information. "Registrable Securities" means the Shares and Warrant Shares. Registrable Securities shall continue to be Registrable Securities (whether they continue to be held by the Subscribers or they are sold to other Persons) until (i) they are sold pursuant to an effective registration statement under the Securities Act; (ii) they may be sold by their holder pursuant to Rule 144 without limitation thereunder on volume or manner of sale; or (iii) they shall have otherwise been transferred and new securities not subject to transfer restrictions under any federal securities laws and not bearing any legend restricting further transfer shall have been delivered by the Company, all applicable holding periods shall have expired, and no other applicable and legally binding restriction on transfer by the Subscriber thereof shall exist under the Securities Act.

(i) If at any time the Company has registered or has determined to register any of its securities for its own account or for the account of other security holders of the Company on any registration form (other than Form S-4 or S-8) which permits the inclusion of the Registrable Securities (a “Piggyback Registration”), the Company will give the Subscribers written notice thereof promptly (but in no event less than fifteen (15) days prior to the anticipated filing date) and, subject to Section 7(b)(iv), shall include in such registration all Registrable Securities requested to be included therein pursuant to the written request of one or more Subscriber received within 10 days after delivery of the Company’s notice. If a Piggyback Registration is initiated as a primary underwritten offering on behalf of the Company, and the managing underwriters advise the Company and the Subscribers that in their reasonable opinion the number of shares of Common Stock and other Registrable Securities proposed to be included in such registration exceeds the Maximum Number of Shares, the Company shall include in such registration: (i) first, the number of shares of Common Stock that the Company proposes to sell; and (ii) second, the number of shares of Common Stock and other Registrable Securities requested to be included therein by holders of Common Stock and other Registrable Securities, including Subscribers who have provided notice in accordance with this Section 7(b)(i) pro rata among all such holders on the basis of the number of shares of Common Stock and other Registrable Securities requested to be included therein by all such holders or as such holders and the Company may otherwise agree. “Maximum Number of Shares” means the number of Registrable Securities proposed to be included in a Registration Statement that can be sold in an underwritten offering without materially delaying or jeopardizing the success of the subject offering (including the offering price per share).

(ii) If a Piggyback Registration is initiated as an underwritten registration on behalf of a holder of shares of Common Stock other than the Subscribers, and the managing underwriters advise the Company that in their reasonable opinion the number of shares of Common Stock and other Registrable Securities proposed to be included in such registration exceeds the Maximum Number of Shares, then the Company shall include in such registration: (i) first, the number of shares of Common Stock requested to be included therein by the holder(s) requesting such registration; (ii) second, the number of shares of Common Stock and other Registrable Securities requested to be included therein by other holders of shares of Common Stock and other Registrable Securities, including the Subscribers (if the Subscribers have elected to include Registrable Securities in such Piggyback Registration), pro rata among such holders on the basis of the number of shares of Common Stock and other Registrable Securities requested to be included therein by such holders or as such holders and the Company may otherwise agree; and (iii) third, the number of shares of Common Stock that the Company proposes to sell.

(iii) If any Piggyback Registration is a primary or secondary underwritten offering, the Company shall have the right to select, in its sole discretion, the managing underwriter or underwriters to administer any such offering.

(c) Expenses of Registration and Selling. All Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Expenses (including, for the avoidance of doubt, any underwriting discount or commission applicable to the sale by a Subscriber) incurred in connection with the sale of any securities registered hereunder shall also be borne by the Company.

(d) Obligations of the Company. Whenever required to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably practicable, subject to the other provisions of this Section 7:

(i) Prepare and file with the SEC a Registration Statement with respect to a proposed offering of Registrable Securities and use commercially reasonable efforts to have such Registration Statement declared effective as promptly as practicable.

(ii) Prepare and file with the SEC such amendments and supplements to the applicable Registration Statement and the Prospectus or prospectus supplement used in connection with such Registration Statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement.

(iii) Furnish to the selling Subscriber or Subscribers and any underwriters such number of copies of the applicable Registration Statement and each such amendment and supplement thereto (including in each case all exhibits) and of a Prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(iv) Notify the selling Subscriber or Subscribers at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which such statements were made, not misleading.

(v) Give written notice to the selling Subscriber or Subscribers:

(1) when any Registration Statement filed pursuant to Section 7(a) or 7(b) or any amendment thereto has been filed with the SEC and when such Registration Statement or any post-effective amendment thereto has become effective;

(2) of any request by the SEC for amendments or supplements to any Registration Statement or the prospectus included therein or for additional information;

(3) of the issuance by the SEC of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for that purpose;

(4) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(5) of the happening of any event that requires the Company to make changes in any effective Registration Statement or prospectus in order to make the statements therein not misleading (in the case of the prospectus, in the light of the circumstances under which such statements were made) (which notice shall be accompanied by an instruction to suspend the use of the Prospectus until the requisite changes have been made).

(vi) Use commercially reasonable efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any Registration Statement referred to in Section 7(d)(v)(3) at the earliest practicable time.

(vii) Upon the occurrence of any event contemplated by Section 7(d)(v)(5), promptly prepare a post-effective amendment to such Registration Statement or a supplement to the related Prospectus or file any other required document so that, as thereafter delivered to the selling Subscriber or Subscribers and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Company notifies the selling Subscriber or Subscribers in accordance with Section 7(d)(v)(5) to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the selling Subscriber or Subscribers and any underwriters shall suspend use of such prospectus and use commercially reasonable efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanently filed copies then in the possession of the selling Subscriber or Subscribers or the underwriter.

(e) Suspension of Sales. Upon receipt of written notice from the Company that a Registration Statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that circumstances exist that make the use of such Registration Statement, prospectus or prospectus supplement inadvisable, the selling Subscriber or Subscribers shall forthwith discontinue disposition of Registrable Securities until the selling Subscriber or Subscribers have received copies of a supplemented or amended Prospectus or prospectus supplement, or until the selling Subscriber or Subscribers are advised in writing by the Company that the use of the Prospectus and, if applicable, prospectus supplement may be resumed. If so directed by the Company, the selling Subscriber or Subscribers shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the selling Subscriber's or Subscribers' possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such suspension notice. The total number of days that any such suspension may be in effect in any 180-day period shall not exceed 60 days.

(f) Furnishing Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 7(d) that the selling Subscriber or Subscribers and the underwriter(s), if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

(g) Indemnification. (i) In connection with each registration pursuant to Section 7, the Company agrees to indemnify and hold harmless each selling Subscriber, and each Person, if any, who controls any selling Subscriber within the meaning of Section 15 of the Securities Act, as follows:

(1) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of an untrue statement of a material fact included in any preliminary prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

(2) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Company, which consent shall not be unreasonably withheld;

provided, however, that, with respect to any selling Subscriber, this indemnity shall not apply to any loss, liability, claim, damage or expense to the extent arising out of an untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by such selling Subscriber expressly for use in the Registration Statement (or any amendment thereto), or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto).

(ii) Each selling Subscriber agrees severally, and not jointly, to indemnify and hold harmless the Company, its directors, each of its officers who signed a Registration Statement, and the other selling Subscribers, and each Person, if any, who controls the Company and any other selling Subscriber within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 7(g)(i), as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such selling Subscriber expressly for use in the Registration Statement (or any amendment thereto), or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto); provided that no such selling Subscriber shall be liable under this Section 7(g) for any amounts exceeding the product of the sales price per Registrable Security and the number of Registrable Securities being sold pursuant to such Registration Statement or prospectus by such selling Subscriber.

(iii) Each indemnified party shall give prompt notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve the indemnifying party from any liability it may have under this Agreement, except to the extent that the indemnifying party is prejudiced thereby. If it so elects, after receipt of such notice, an indemnifying party, jointly with any other indemnifying parties receiving such notice, may assume the defense of such action with counsel chosen by it; provided, however, that the indemnified party shall be entitled to participate in (but not control) the defense of such action with counsel chosen by it, the reasonable fees and expenses of which shall be paid by such indemnified party, unless a conflict would arise if one counsel were to represent both the indemnified party and the indemnifying party, in which case the reasonable fees and expenses of counsel to the indemnified party shall be paid by the indemnifying party or parties. In no event shall the indemnifying party or parties be liable for a settlement of an action with respect to which they have assumed the defense if such settlement is effected without the written consent of such indemnifying party, or for the reasonable fees and expenses of more than one counsel for (i) the Company, its officers, directors and controlling persons as a group, and (ii) the selling Subscribers and their controlling persons as a group, in each case, in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances; provided, however, that if, in the reasonable judgment of an indemnified party, a conflict of interest may exist between such indemnified party and the Company or any other of such indemnified parties with respect to such claim, the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel.

(h) Contribution. (i) If the indemnification provided for in or pursuant to Section 7(g) is due in accordance with the terms hereof, but held by a court of competent jurisdiction to be unavailable or unenforceable in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which result in such losses, claims, damages, liabilities or expenses as well as any other relevant equitable considerations. The relative fault of the indemnifying party on the one hand and of the indemnified party on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, and by such party's relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. In no event shall the liability of the selling Subscribers be greater in amount than the amount for which such indemnifying party would have been obligated to pay by way of indemnification if the indemnification provided for under Section 7(g)(i) had been available under the circumstances.

(ii) No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7(h)(ii), each director of the Company, each officer of the Company who signed a Registration Statement, and each Person, if any, who controls the Company or a selling Subscriber within the meaning of Section 15 of the Securities Act shall have the same rights to contribution as the Company or such selling Subscriber, as the case may be.

(i) Representations, Warranties and Indemnities to Survive. The indemnity and contribution agreements contained in this Section 7 shall remain operative and in full force and effect regardless of (i) any termination of any underwriting or agency agreement; (ii) any investigation made by or on behalf of the selling Subscriber or Subscribers, the Company or any underwriter or agent or controlling Person; or (iii) the consummation of the sale or successive resales of the Registered Securities.

## **8. MISCELLANEOUS PROVISIONS**

(a) Each party hereto acknowledges that (i) Sichenzia Ross Friedman Ference LLP ("SRFF") has served as counsel to the Company in connection with this Agreement and the matters described herein and (ii) SRFF has represented the Lead Investor and certain Subscribers in the past and may continue to do so in the future. Each party has been advised by the foregoing counsel that in connection with this Agreement and the matters described herein, it should retain counsel of its choice inasmuch as important rights may be involved or affected relative to the matters herein. Each party has been represented by its own separate legal counsel in connection with this Agreement. No presumption against any party to this Agreement shall be asserted as a result of the drafting of or in connection with the drafting and negotiation of this Agreement and ancillary agreements.

(b) Each of the parties hereto shall be responsible to pay the costs and expenses of its own legal counsel in connection with the preparation and review of this Agreement and related documentation.

(c) Neither this Agreement, nor any provisions hereof, shall be waived, modified, discharged or terminated except by an instrument in writing signed by the party against whom any waiver, modification, discharge or termination is sought.

(d) The representations, warranties and agreement of each Subscriber and the Company made in this Agreement shall survive the execution and delivery of this Agreement and the delivery of the Securities.

(e) Any party may send any notice, request, demand, claim or other communication hereunder to the Subscriber at the address set forth on the signature page of this Agreement or to the Company at its primary office (including personal delivery, expedited courier, messenger service, fax, ordinary mail or electronic mail), but no such notice, request, demand, claim or other communication will be deemed to have been duly given unless and until it actually is received by the intended recipient. Any party may change the address to which notices, requests, demands, claims and other communications hereunder are to be delivered by giving the other parties written notice in the manner herein set forth.

(f) Except as otherwise provided herein, this Agreement shall be binding upon, and inure to the benefit of, the parties to this Agreement and their heirs, executors, administrators, successors, legal representatives and assigns. If any Subscriber is more than one person or entity, the obligation of any Subscriber shall be joint and several and the agreements, representations, warranties and acknowledgments contained herein shall be deemed to be made by, and be binding upon, each such person or entity and its heirs, executors, administrators, successors, legal representatives and assigns. This Agreement sets forth the entire agreement and understanding between the parties as to the subject matter hereof and merges and supersedes all prior discussions, agreements and understandings of any and every nature among them.

(g) This Agreement is not transferable or assignable by the Company.

(h) The Company hereby represents and warrants as of the date hereof and as of any Closing Date that none of the terms offered to any Person with respect to any offer, sale or subscription of Securities (each a "Subscription Document"), is or will be more favorable to such Person than those of the Subscriber and this Agreement shall be, without any further action by the Subscriber or the Company, deemed amended and modified in an economically and legally equivalent manner such that the Subscriber shall receive the benefit of the more favorable terms contained in such Subscription Document. Notwithstanding the foregoing, the Company agrees, at its expense, to take such other actions (such as entering into amendments to the Transaction Documents) as the Subscriber may reasonably request to further effectuate the foregoing.

(i) The obligations of each Subscriber under any Transaction Document are several and not joint with the obligations of any other Subscriber, and no Subscriber shall be responsible in any way for the performance or non-performance of the obligations of any other Subscriber under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Subscriber pursuant hereto or thereto, shall be deemed to constitute the Subscribers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Subscribers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Subscriber shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Subscriber to be joined as an additional party in any proceeding for such purpose. Each Subscriber has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. The Company has elected to provide all Subscribers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Subscribers. It is expressly understood and agreed that each provision contained in this Agreement and in each other Transaction Document is between the Company and a Subscriber, solely, and not between the Company and the Subscribers collectively and not between and among the Subscribers. The Company acknowledges that any actions of Subscribers now, and in the future, in which (A) any review or approval is sought by the Company, including, without limitation, review, approval or acceptance of any reportable event required to be reported in any SEC filing or report by the Company; or (B) any amendment, waiver, right of first refusal, participation right, acquisition or financing, including any acquisition or financing is proposed, introduced, offered or arranged by any one or more Subscribers or their affiliates or sought by the Company, shall not be claimed by the Company or any person seeking to assert such a claim on behalf of the Company, to constitute the forming of any "Group" as such term is defined under Section 13(d) or Section 16 of the Exchange Act, nor shall any activity permit the Company or any third party holder of securities of the Company to assert any claim that any beneficial ownership limitations or conversion limitations of the Warrants have been exceeded and such Subscriber, alone or in conjunction with others, constitutes a "Group" for purposes of the Exchange Act as a result thereof.

(j) Except as otherwise provided herein, this Agreement shall not be changed, modified or amended and no right hereunder shall be waived, except in writing signed by both (a) the Company and (b) Subscribers holding at least 60% of the Units sold in the Offering outstanding on the date of determination (including the Lead Investor). The Company shall be prohibited from offering any additional consideration to any Subscriber in this Offering (or such original Subscriber's transferee) for the purposes of inducing such person to change, modify, waive or amend any term of this Agreement or any other Transaction Document without making the same offer on a pro-rata basis to all other Subscribers (and those transferees) in this Offering allocable to the securities acquired by such transferee(s).

(k) This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to conflicts of law principles.

(l) The Company and each Subscriber hereby agree that any dispute that may arise between them arising out of or in connection with this Agreement shall be adjudicated before a court located in the City of New York, Borough of Manhattan, and they hereby submit to the exclusive jurisdiction of the federal and state courts of the State of New York located in the City of New York, Borough of Manhattan with respect to any action or legal proceeding commenced by any party, and irrevocably waive any objection they now or hereafter may have respecting the venue of any such action or proceeding brought in such a court or respecting the fact that such court is an inconvenient forum, relating to or arising out of this Agreement or any acts or omissions relating to the sale of the securities hereunder, and consent to the service of process in any such action or legal proceeding by means of registered or certified mail, return receipt requested, postage prepaid, in care of the address set forth herein or such other address as either party shall furnish in writing to the other.

(m) **WAIVER OF JURY TRIAL. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.**

(n) This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Initial Issuance Date: [\_\_\_\_], 2015

Warrant No: [\_\_\_\_\_]

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, [\_\_\_\_\_] or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the Initial Exercise Date (as defined herein) and on or prior to the close of business on the thirty six (36) month anniversary of the Initial Issuance Date (the "Termination Date") but not thereafter, to subscribe for and purchase from **MGT CAPITAL INVESTMENTS, INC.**, a Delaware corporation (the "Company"), up to [\_\_\_\_\_] shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b). The "Initial Exercise Date" shall be the earlier of (i) the twelve month anniversary of the Initial Issuance Date or (ii) a private or public financing, subject to approval of the Lead Investor, in which the Company receives gross proceeds of at least \$7,500,000 in one or more transactions; a spinoff; one or more acquisitions or sales by the Company of any business, assets, stock, licenses, interests or properties (including, without limitation, intellectual property rights) approved by the stockholders of the Company; or a merger, consolidation, recapitalization, or reorganization approved by the stockholders of the Company (individually, each a "Qualifying Transaction"). Each Unit is comprised of one Share and a Warrant to purchase two Warrant Shares.

Section 1. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Subscription Agreement (the "Subscription Agreement"), dated [\_\_\_\_] 2015, among the Company and the Holder.

Section 2. Exercise.

a) Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy of the Notice of Exercise Form annexed hereto. Within two (2) Trading Days following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the shares specified in the applicable Notice of Exercise by wire transfer or cashier's check drawn on a United States bank unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise. Notwithstanding anything herein to the contrary (although the Holder may surrender the Warrant to, and receive a replacement Warrant from, the Company), the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise Form within one (1) Trading Day of delivery of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The initial exercise price per share of the Common Stock under this Warrant shall be **\$0.25**, (the "Initial Exercise Price") subject to adjustment hereunder (as adjusted, the "Exercise Price"), payable, subject to Section 2(c) below, in immediately available funds.

c) Cashless Exercise. Following the four (4) month anniversary of the Initial Issuance Date, provided the Company has consummated a Qualifying Transaction and there is no effective registration statement registering, or no current prospectus available for the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised at the Holder's election, in whole or in part, at such time by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the Closing Sale Price on the Trading Day immediately preceding the date on which Holder elects to exercise this Warrant by means of a "cashless exercise," as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

For the avoidance of doubt, Rule 144 shall not be available until at least the six (6) month anniversary of the Initial Issuance Date. Notwithstanding anything herein to the contrary, on the Termination Date, unless the Holder notifies the Company otherwise, if there is no effective Registration Statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder and the Exercise Price is greater than the Closing Sale Price on the Trading Day immediately preceding the date on which the Warrant would otherwise expire, then this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

d) Mechanics of Exercise.

(a) Delivery of Certificates Upon Exercise. Certificates for shares purchased hereunder shall be transmitted by the Company's transfer agent for its Common Stock (the "Transfer Agent") to the Holder by crediting the account of the Holder's prime broker with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) this Warrant is being exercised via cashless exercise and Rule 144 is available, and otherwise by physical delivery to the address specified by the Holder in the Notice of Exercise by the date that is three (3) Trading Days after the latest of (A) the delivery to the Company of the Notice of Exercise, (B) surrender of this Warrant (if required) and (C) payment of the aggregate Exercise Price as set forth above (including by cashless exercise, if permitted) (such date, the "Warrant Share Delivery Date"). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 2(d)(vi) prior to the issuance of such shares, having been paid. The Company understands that a delay in the delivery of the Warrant Shares after the Warrant Share Delivery Date could result in economic loss to the Holder. As compensation to the Holder for such loss, the Company agrees to pay (as liquidated damages and not as a penalty) to the Holder for late issuance of Warrant Shares upon exercise of this Warrant the proportionate amount of \$10 per Trading Day after the Warrant Share Delivery Date for each \$1,000 of Exercise Price of Warrant Shares for which this Warrant is exercised which are not timely delivered. The Company shall pay any payments incurred under this Section in immediately available funds upon demand. Furthermore, in addition to any other remedies which may be available to the Holder, in the event that the Company fails for any reason to effect delivery of the Warrant Shares by the Warrant Share Delivery Date, the Holder may revoke all or part of the relevant Warrant exercise by delivery of a notice to such effect to the Company, whereupon the Company and the Holder shall each be restored to their respective positions immediately prior to the exercise of the relevant portion of this Warrant, except that the liquidated damages described above shall be payable through the date notice of revocation or rescission is given to the Company.

i. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the certificate or certificates representing Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

ii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder a certificate or the certificates representing the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right, at any time prior to issuance of such Warrant Shares, to rescind such exercise.

iii. Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder a certificate or the certificates representing the Warrant Shares pursuant to an exercise on or before the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

iv. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

v. Charges, Taxes and Expenses. Issuance of certificates for Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such certificate, all of which taxes and expenses shall be paid by the Company, and such certificates shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event certificates for Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise.

vi. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. (i) The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the SEC, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder may decrease the Beneficial Ownership Limitation at any time and the Holder, upon not less than 61 days' prior notice to the Company, may increase the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any such increase will not be effective until the 61<sup>st</sup> day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

f) Issuance Restrictions. If the Company has not obtained the approval of its shareholders in accordance with the rules of the NYSE MKT, then the Company may not issue upon exercise of this Warrant a number of Warrant Shares, which, when aggregated with any shares of Common Stock (i) issued pursuant to the Subscription Agreement, and (ii) issuable upon prior exercise of this or any other Warrant issued pursuant to the Subscription Agreement, would exceed Two Million Eight Hundred and Forty Thousand (2,840,000) shares of Common Stock, in the aggregate, subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of the Subscription Agreement (such number of shares, the "Issuable Maximum"). The Holder and the holders of the other Warrants issued pursuant to the Subscription Agreement shall be entitled to a portion of the Issuable Maximum equal to the quotient obtained by dividing (x) the Holder's original Aggregate Purchase Price by (y) the aggregate original Aggregate Purchase Price of all Purchasers pursuant to the Subscription Agreement. In addition, the Holder may allocate its pro-rata portion of the Issuable Maximum among Warrants held by it in its sole discretion. Such portion shall be adjusted upward ratably in the event a Holder no longer holds any Warrants and the amount of shares issued to such Holder pursuant to its Warrants was less than such Holder's pro-rata share of the Issuable Maximum. For avoidance of doubt, unless and until any required approval of the Company's shareholders of the issuance of in excess of Two Million Eight Hundred and Forty Thousand (2,840,000) shares of Common Stock pursuant to the Subscription Agreement ("Shareholder Approval") is obtained and effective, warrants issued to any registered broker-dealer as a fee in connection with the Securities issued pursuant to the Subscription Agreement as described in clause (iii) above shall provide that such warrants shall not be allocated any portion of the Issuable Maximum and shall be unexercisable unless and until such Shareholder Approval is obtained and effective. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant or pursuant to any of the other Transaction Documents), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time after the Initial Exercise Date the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to all of the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c) Pro Rata Distributions. If the Company, at any time while this Warrant is outstanding, shall distribute to all holders of Common Stock (and not to the Holder) evidences of its indebtedness or assets (including cash and cash dividends) or rights or warrants to subscribe for or purchase any security other than the Common Stock (which shall be subject to Section 3(c)), then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution by a fraction of which the denominator shall be the VWAP determined as of the record date mentioned above, and of which the numerator shall be such VWAP on such record date less the then per share fair market value at such record date of the portion of such assets or evidence of indebtedness so distributed applicable to one outstanding share of the Common Stock as determined by the Board of Directors in good faith. In either case the adjustments shall be described in a statement provided to the Holder of the portion of assets or evidences of indebtedness so distributed or such subscription rights applicable to one share of Common Stock. Such adjustment shall be made whenever any such distribution is made and shall become effective immediately after the record date mentioned above. Notwithstanding the foregoing and for the avoidance of doubt, a spinoff shall not trigger an adjustment to the Exercise Price pursuant to this Section 3(c).

d) Fundamental Transaction. If, at any time while this Warrant is outstanding, the Company enters into a Fundamental Transaction then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant) the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Notwithstanding the foregoing, the Warrant holder will not be entitled to redeem these warrants for cash in any fundamental transaction that is not approved by the Company's board of directors or that occurs in a transaction or as a result of an event that was not within the Company's sole control.

e) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest whole share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

f) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly mail to the Holder a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, to the extent that such information constitutes material non-public information (as determined in good faith by the Company) the Company shall deliver to the Holder at its last address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to mail such notice or any defect therein or in the mailing thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission SEC pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws and the provisions of the Subscription Agreement, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the initial issuance date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company or its transfer agent for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 5. Certain Definitions. For purposes of this Warrant, the following terms shall have the following meanings:

(a) "**Affiliate**" shall mean as applied to any Person, means any other Person directly or indirectly controlling, controlled by, or under common control with, that Person. For the purposes of this definition, "control" (including, with correlative meanings, the terms "controlling", "controlled by" and "under common control with"), as applied to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of that Person, whether through the ownership of voting securities or by contract or otherwise. For purposes of this definition, a Person shall be deemed to be "controlled by" a Person if such latter Person possesses, directly or indirectly, power to vote 10% or more of the securities having ordinary voting power for the election of directors of such former Person

If the Closing Bid Price or the Closing Sale Price cannot be calculated for a security on a particular date on any of the foregoing bases, the Closing Bid Price or the Closing Sale Price, as the case may be, of such security on such date shall be the fair market value as mutually determined by the Company and the Holder. All such determinations to be appropriately adjusted for any stock dividend, stock split, stock combination or other similar transaction during the applicable calculation period.

Section 6. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

d) Authorized Shares.

(i) The Company covenants that, during the period the Warrant is outstanding, it will maintain a reserve from its authorized and unissued Common Stock 100% of the maximum number of shares for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for the Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Principal Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and non-assessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

(ii) Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be determined in accordance with the provisions of the Subscription Agreement.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, or unless exercised in a cashless exercise when Rule 144 is available, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Non-waiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant or the Subscription Agreement, if the Company intentionally and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Subscription Agreement.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holders of not less than 60% of the then outstanding Warrants issued pursuant to the Subscription Agreement which such approval shall include the approval of the Lead Investor (as defined in the Subscription Agreement).

m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.
